

# How to Get Involved with Fraternity & Sorority Life

## Things to consider

How much time do you have to give?

How often do you want to serve?

What excites you about your organization?

What are your skills and talents?

Do you want to give back to *your* organization or to the interfraternal community?

## Types of involvement

### University-centered:

Host a regional event for your organization's alumni/ae or for a group of Fraternities & Sororities.

Example: All Sorority/Society luncheon in Atlanta

Attend networking opportunities

Present workshops at leadership conferences

Share news, events, etc. on your social media

### Organization-centered:

Volunteer for the local advisory board, even if the closest chapter isn't at WFU

Join your local alumni/ae chapter

Apply to serve as a workshop facilitator

Volunteer for your national foundation

Offer to share your expertise in a membership development workshop

Share news, events, etc. on your social media

Make sure your contact information is updated with the national organization

Volunteer for regional events

Offer to write for, submit stories idea to, or advertise in the national magazine

## So Now What?

*If university-centered:* Fill out the interest form on the Alumni Engagement website or e-mail Gray Allen (allenlg@wfu.edu) and let us know what you are interested in.

*If organization-centered:*

- Decide what type of involvement you're looking for
- Reach out to the chapter advisor if you want to do things specifically with the chapter
- Reach out to regional/state director if you want to volunteer at a higher level
- Look for volunteer listings on your national website
- Still not sure?
