It’s new, exciting, somewhat anxiety-inducing, and it starts right now. Never forget to enjoy every minute of it.

You’ve arrived. Slap on the bumper sticker. Wear the T-shirt. Lose yourself in school spirit. You might not know them yet, but you’re among friends.

SO GET YOUR DEAC ON.
Don’t be alarmed; the bearded man you’ll see around campus with the camera is none other than our very own University Photographer Ken Bennett. His award-winning work graces many a page in this book and can be found in University communications of all varieties, including his blog: wakeforest.tumblr.com
# Table of Contents

## It's a Beautiful Day to Be a Deacon
- 2  Walk Like A Deacon
- 8  Traditions

## Life in the Forest
### Welcome Home
- 23  Your Deacon Housing
- 30  Parking & Transportation
- 32  Enjoying Your Eateries

### Take Care
- 41  Student Health Service
- 44  Campus Safety
- 46  Financial Services

### Have Fun
- 51  Thrive: Wellbeing at Wake Forest University
- 54  Campus Life
- 56  Athletics
- 60  Winston-Salem
- 65  Wake Downtown

## The All-You-Can-Learn Buffet of Knowledge
### Getting Started
- 73  Connecting Online
- 74  Key Dates
- 78  Financial Aid
- 81  Academic Advising
- 84  Curriculum Requirements
- 86  Majors & Minors
- 88  Planning for Registration
- 94  Disability Services

### The Early Bird Gets the Class
- 97  Registration

## Your Happy Beginning Awaits
- 108  New Student Receptions
- 110  Project Wake
- 113  Pre-Orientation Programs
- 122  On-Campus Orientation

- 132  Campus Support
- 134  Office of Sustainability
- 136  Office of Personal and Career Development
- 138  Campus Map
- 142  Directory
It's a beautiful day to be a deacon.
Within this book, you’ll find everything you could possibly need to survive in the Forest.

Food, shelter, maps, general wisdom and the laws of the land. All conveniently located in the following pages. So make yourself comfortable, and take a look around.

You can graduate, but you never have to leave.
YOU’VE MADE IT
Welcome to Wake Forest
CLASS OF 2021
These traditions are yours now you share them with more than 60,000 close friends you haven't met yet.
YOUR COLORS

OLD GOLD & BLACK

YOUR FIGHT SONG

O here’s to Wake Forest
A glass of the finest
Red ruddy, Rhenish
Filled up to the brim.
Her sons, they are many
Unrivaled by any
With hearts o’erflowing,
We will sing a hymn.

RAH, RAH, WAKE FOREST, RAH!

Old Alma Mater’s sons are we!
We’ll herald the story and die for
her glory: Old Gold and Black is
ever waving high.

As frosh we adore her,
As sophs we explore her,
and carve our names upon her
ancient walls. As juniors patrol her,
as seniors extol her, and weep to
leave fore’er her sacred halls.

(WIPE TEARS AND REPEAT CHORUS)

YOUR MASCOT

A
TOP HAT

B
PROMINENT CHIN

D
WHITE CHOPS

C
BOW TIE

YOUR MOTTO

Pro Humanitate

The Wake Forest motto, Pro Humanitate, is regularly
translated as “For Humanity” and is probably most
often understood to mean that we do what we
do for the sake of humanity, for the people of the
world. It is often heard as a very specific call to
community service.
The honesty, trustworthiness and personal integrity of each student is integral to the life and purpose of the Wake Forest community. Together, we seek the enlightenment and freedom which come through diligent study and learning. An even higher goal, however, is to give life to the university motto, _pro humanitate_, as the passion for knowledge is translated into compassionate service.
DEAR OLD WAKE FOREST,
THINE IS A NOBLE NAME;
THINE IS A GLORIOUS FAME,
CONSTANT AND TRUE.
WE GIVE THEE OF OUR PRAISE,
ADORE THINE ANCIENT DAYS,
SING THEE OUR HUMBLE LAYS,

**Mother, So Dear**

DEAR OLD WAKE FOREST,
Mystic Thy Name to Cheer;
Be Thou Our Guardian Near Fore’er and Aye.
We Bow Before Thy Shrine,
Thy Brow with Bays Entwine,
All Honor Now Be Thine,
Mother, Today.

BY GEORGE W. PASCHAL, CLASS OF 1892 (THURINGIAN FOLK SONG)
Like the fight song says, your new home is unrivaled by any.

The history, events, quirks and rituals that make Wake Forest unique help form a lasting bond among those who call themselves Demon Deacons. In a time before Google, these were things passed from one generation of Wake Foresters to the next. Embrace them. Make them your own.
IN 1834, THE WAKE FOREST Manual Labor Institute was founded.

THE FIRST STUDENT WAS 12 years old, and the first graduating class included 4 students.

IN 1946, THE SCHOOL ACCEPTED an invitation from the Z. Smith Reynolds Foundation to move from Wake Forest, N.C. to Winston-Salem, N.C.

THE REYNOLDA CAMPUS opened its doors in 1956.

WAKE FOREST WAS THE FIRST private institution in the South to integrate (1962).

WAKE FOREST COLLEGE became Wake Forest University in 1967. The letters WFC can still be found in ironwork around campus.
Reynolda House

The origins of the Reynolda Campus can be found a few steps away in the Reynolda Historic District, with Reynolda House Museum of American Art at its center. Opened in 1967, Reynolda House displays and interprets a premier collection of American art within the 1917 country house created by Katharine Smith Reynolds, wife of tobacco magnate Richard Joshua (R.J.) Reynolds. A visit to Reynolda in your first year is essential to understand why the ground you walk on is called the “Reynolda” Campus.

Reynolda gets its name from the feminine of Reynolds, a nod to the estate’s visionary Katharine Reynolds. As a 1,067-acre working estate, Reynolda originally incorporated the main house, also known as The Bungalow, set within a carefully designed landscape and a working model farm; recreational facilities, including an artificial lake and a nine-hole golf course; formal gardens (now Reynolda Gardens); and a picturesque estate-support village (now Reynolda Village) echoing the style of the main house. Wake Forest’s Reynolda Campus now occupies the land that was the farm. As both a historic house and an art museum, Reynolda interprets the past and present through historic furnishings, decorative arts and works of art from the likes of Georgia O’Keeffe, Frederic Edwin Church, Mary Cassatt and Nam June Paik.

2017 marks the centennial of the Reynolda Estate and the 50th anniversary of the Museum. Reynolda will celebrate this momentous year with memorable festivities, inspiring programs and landmark exhibitions. Reynolda’s history is both Wake Forest’s history and Winston-Salem’s history, and the celebration of its first 100 years is a historic moment for the entire community.

General admission to Reynolda House is free for students, and the Museum offers several events at no cost to students throughout the year. Students can also get involved at Reynolda House through internships, volunteer opportunities and academic research. An affiliate museum of the University, Reynolda House is an easy quarter-mile walk from campus along the wooded trails of Reynolda Gardens that connect South Campus to Reynolda Village. Reynolda House is open Tuesday through Saturday from 9:30 a.m. to 4:30 p.m. and Sunday from 1:30 to 4:30 p.m. reynoldahouse.org
START Gallery, the Wake Forest University Student Art Gallery, was founded in 2009 and is located in Reynolda Village adjacent to the University campus. The gallery offers students the opportunity to display and sell their artwork, and through its eight to 10 exhibitions a year strives to create a unique experience for students interested in art or art management. START boasts various opportunities for students to get involved, including STARTyourself, which allows interested students to present solo shows of their work or to curate exhibitions of the work of others.
GO DEACS

Our Traditions
**PREPARATION**

Keep a secret stash ready at all times for victories. Use double rolls for maximum impact and tree coverage.

**IT'S GO TIME**

After the big win, promptly go to the Quad (Hearn Plaza) with your stash. We don't roll the Quad for just anything; it's gotta be a big deal.

**USE PROPER FORM**

Place your hand on the curvature of the roll so it will unravel upon release. Throw like a baseball over the tree, using plenty of arc. Follow it to the other side; repeat until tube is empty.

**SATISFACTION**

Bask in the glory of a newly decorated Quad with your peers. Make memories. Never forget the moment.
**Wake 'n shake**

What do over 1,200 students do together in Reynolds Gym for 12 continuous hours in March? They dance, sing, play games, hear inspirational stories and have an outrageous time, all to help find a cure for cancer. So get on your feet, and get ready to dance! [wakenshake.com](http://wakenshake.com)

**Hit the bricks**

“This is college!” These were the words of a first-year student while racing around the Quad as a member of his residence hall’s relay team. More than 1,000 students, faculty and staff join together in Wake Forest’s annual eight-hour team relay event to benefit the Brian Piccolo Cancer Drive. [wfuhitthebricks.com](http://wfuhitthebricks.com)

**Project pumpkin**

Project Pumpkin is an annual event sponsored by the Volunteer Service Corps around Halloween. It brings approximately 1,500 children from the Winston-Salem community onto campus, and pairs them with Wake Forest undergraduates for trick-or-treating and carnival games. [projectpumpkin.wfu.edu](http://projectpumpkin.wfu.edu)
Magnolias
You’ll find them gracing Manchester Plaza, and they hold a special place in the hearts of Wake Foresters across the globe.

The magnolias of today come from seeds that were collected from the Old Campus in 1947, grown for five years in a swimming pool in South Carolina, then transplanted to the Reynolda Campus.

The Stone Arch
It’s not our first arch. What graces the Quad today is a replica of the original, which can still be found on our Old Campus in Wake Forest, N.C.

Each year during Commencement, the graduating class carries on the tradition of entering the Quad through the arch.

Wait Chapel
Named for Samuel Wait, our University’s first president. The 12-ton carillon consists of 48 bronze bells. There are only 100 of its kind nationwide.

The chapel has hosted a wide range of events, including two presidential debates, the memorial service for Maya Angelou, NPR’s "Wait Wait ...Don’t Tell Me" and many speakers, including Dr. Martin Luther King, Jr., President Jimmy Carter, James Earl Jones, Robert F. Kennedy, Jr., Tony Dungy, Senator John McCain, Ta-Nehisi Coates and Laverne Cox.
Life in the Forest
Welcome

Home

Winston-Salem
North Carolina
We’re not big on labels.

What we care about most is creating an unparalleled residential housing experience where students can thrive socially and intellectually alongside their classmates within a safe and responsible environment.

In the following pages, you’ll find key information on how roommates are assigned, answers to frequently asked questions, who’s who and programs available within Residence Life.

This is where the memories are made. Welcome to your new home.

SOCIAL
WFURHL
@WFURHL
You will be notified of your room and roommate assignment in late July. Assignments are made without regard to race, religion, sexual orientation or national origin. We do not assign siblings or friends as roommates. We wait until we receive the Housing and Dining Application from a majority of students in order to match students based on responses. Although we try to honor all preferences, this is not always possible. When you get your roommate assignment, please reach out to your roommate so you can start getting to know one another. When you arrive on campus, you and your roommate will complete an agreement that will help define some expectations for how you will use the room.

As a new student, you will be assigned to a single, double or triple room, based on your response to the Housing and Dining Application. If you are assigned to a single room, information about other students assigned to singles in your hall will be sent to you. Single rooms are charged at the single rate. All students are eligible to request a room change in September if space becomes available.

Each residence hall room includes an extra-long twin bed (36” by 80”), a dresser, and a desk and chair set. Each room is equipped with window blinds and a closet or wardrobe unit. You may bring your own floor rug or purchase it upon your arrival to campus.

Each room also has a MicroFridge® appliance (combination microwave/refrigerator-freezer unit), so there is no need to buy or rent a refrigerator. The microwave has a capacity of 0.6 cubic feet and a turntable for even heating. No other kitchen appliances may be used or stored in residence hall rooms.

The Deacon OneCard is your official student ID. You will receive your card when you arrive on campus for Orientation, and you should carry it with you at all times. You must submit a photograph for your Deacon OneCard by June 30. The Deacon OneCard serves as your access card to enter University buildings, your card for checking items out of the library and your “ticket” to many campus events. The Deacon OneCard is also a payment card for three different purposes: Deacon Dollars, Food Dollars and the meal plan.

Students responsible for actively assisting individuals and groups of students in their residential community. RAs plan initiatives for both individual and building-wide residential communities. Look for a welcome email from your RA in August!

Graduate student who is responsible for the general supervision and management of a residence hall community, which houses 200–350 undergraduate students.

A full-time, live-in professional who supervises RAs and GHDs; helps students with residential concerns.

A group of faculty members assigned to your residence hall who will plan fun, community-building events and be available for informal interaction and advising.

The Faculty Fellows Program was created to build community and increase faculty-student engagement, especially outside of the classroom, providing fun and intellectually engaging discussions and activities within and beyond our residence halls.

Wake Forest University  
Winston-Salem, NC 27109
Hall Councils

Hall Councils offer leadership experience for students. Council members provide programming to their residential community. The executive board for each Hall Council acts as liaison between its hallmates and the Office of Residence Life and Housing.

Housing for Special Needs

Any medical or physical considerations that require special accommodations should be provided in writing from your doctor to the Student Health Service. All inquiries will be reviewed by the appropriate University official.

Please review the process at: go.wfu.edu/f101specialneeds

Substance-Free Living Community

The Substance-Free Living Community is for residents who desire — and agree to maintain — a substance-free environment. This community will be on hallways, sections or floors of various first-year buildings as demand warrants. In addition to the standard housing agreement, residents and their guests must abide by a Substance-Free Housing Agreement whereby they agree to these standards, including not using in or coming into the residential environment under the influence of tobacco, alcohol or drugs.

Residency Requirement and Guarantee

Wake Forest has a three-year residency requirement and is one of the few universities in the country that guarantees housing for eight semesters (for students in good standing). Students are required to live in campus housing their first three years unless they live with a parent or guardian in the Winston-Salem area.

Property Insurance

Neither Wake Forest University nor the Office of Residence Life and Housing can or will assume responsibility for theft, loss or damage to your personal property. Most thefts occur when residents leave their room doors unlocked and/or their property unattended. Keeping your room locked at all times is your best defense against theft. The University does not cover property loss for damage due to unforeseeable facility incidents that may occur.

Before coming to campus, you should determine what it would cost to replace belongings such as electronics: cell phone, television, camera and laptop computer. Check your family’s property insurance policies — many policies will cover loss or theft, even if the policy is in your parents’ name(s) and you are living on campus. If not, we suggest you purchase some type of renter’s insurance.

Do you have more questions?

Go to rlh.wfu.edu/prospective-students. If your question is not answered on our website, please contact us at housing@wfu.edu or 336.758.5185.
How do I apply for housing/dining?

All first-year students will complete a Housing and Dining Application online by logging into WIN > Virtual Campus > Residence Life and Housing.

How are roommates assigned?

Our high-tech computer algorithms match roommates based on answers to a number of life-habit questions. Room and roommate assignments are made without regard to race, religion, sexual orientation or national origin, and we do not assign siblings or friends as roommates. Historically, we have a low percentage of room change requests from first-year students.

When will I find out who my roommate is?

You will be notified via your WFU Google Mail account in late July with your room and roommate assignment.

How can I view the type of room I will be living in?

You may look through each floorplan and view pictures of typical rooms by visiting: go.wfu.edu/f101residences

What can and can’t I bring to campus?

More info about what you can and cannot have in your room can be found online: go.wfu.edu/f101residencehallsafety

When can I move in?

Residence halls open on August 23. Students participating in Pre-Orientation programs, band, athletics or another approved group will receive instructions from that program.

What are the advantages of living on campus?

Aside from the short commute to class every morning, living in Wake Forest’s residence halls has many advantages and places you in the center of the collegiate experience. You will be surrounded by a trained staff of helpful and caring resident advisers and a graduate hall director. The staff is available at all hours to answer your questions, provide support and create a safe and fun atmosphere.

Will I have access to laundry facilities?

Residence Life and Housing is committed to providing students with the amenities necessary to make their living space a home away from home. One of those is the laundry facilities available in each residential area. Contact Residence Life and Housing for more information on how to use our high-efficiency washers and dryers: housing@wfu.edu
We’re here to help you understand your options — and the rules of campus traveling — while finding your way.

Alumni Hall 138
Parking Registration

First-year parking permits will be available online August 1, 2017. Visit our website to register your vehicle, access the parking map and become familiar with the Parking Rules and Regulations. Parking permits will be available for pickup in the Benson University Center on Move-In Day. All first-year and transfer students, including those who commute to campus, are required to park in a designated lot off campus. Shuttle service is provided. Students with disabilities or health issues should refer to Disability Services and Student Health Service.

Ride the Wake

Ride the Wake is a system of scheduled shuttles and on-demand services available to the Wake Forest community. Different shuttle lines will take you to parking, Hanes Mall, Target, various apartment complexes and the Downtown Campus. Download the TransLocRider app to your smartphone to track each shuttle’s location on the various routes and estimated times of arrival. Nightly from 5:30 p.m. to 7 a.m., you can use the TransLoc Rider app for a free ride around campus and to and from surrounding Wake Forest neighborhoods. Visit the website for schedules and more information: parking.wfu.edu/ride-the-wake

Re-cycle

No room in the car for your bike? No worries. Borrow one for the semester or by the hour. sustainability.wfu.edu/bikeshare

Zimride

Zimride is an electronic ride-sharing board that helps students connect with others who are traveling to the same destination or just in the same direction. Rides are matched based on the criteria set by the individuals offering and seeking ride-share partners. zimride.com/wfu

The Zipcar

Wake Forest offers this car-sharing program as an alternative to bringing your own car to campus. Cars are parked on campus near the first-year residence halls, between Kitchin and Poteat halls, and on the North Campus. They are available 24 hours a day; rates include gas and insurance. zipcar.com/wfu
HUNTING AND GATHERING ON CAMPUS.

Through a variety of dining locations, broad menu offerings and welcoming staff, Wake Forest University Dining takes great pride in providing a first-class eating experience.

Dig in.
1. “The Pit”  
*The Fresh Food Company*

The Fresh Food Company is affectionately known around campus as “the Pit” due to its location in the lowest level of Reynolda Hall. Enjoy all-you-care-to-eat dining for breakfast, lunch and dinner. Choose from homestyle favorites, rotisserie items, sandwiches, fresh salads, pastas, international meals, homemade desserts and more.

1. “Mag Room”  
*The Magnolia Room*

Come by the Magnolia Room and enjoy a delicious all-you-care-to-eat buffet for lunch Monday through Friday on the second floor of Reynolda Hall. Fine-dining decor, white tablecloths and Southern sweet tea on the tables are the highlights of this experience.

2. Benson Food Court

Located on the second floor of the Benson University Center, Benson Food Court features national and local favorites, including: Chick-fil-A, Take Two Deli & Grill, Forest Greens (Salad Bar), Moe’s Southwest Grill and the Sundry Convenience Store.

2. Shorty’s Restaurant & Bar

The story began in 1916 with “Shorty” Joyner when he opened a small restaurant on White Street in Wake Forest, North Carolina, near the campus of Wake Forest College. The restaurant eventually became a local hangout for all students. When Wake Forest moved to Winston-Salem in 1956, Shorty’s came along with it.

Shorty’s remains a favorite dining and gathering place for the Wake Forest community. Located on the second floor of Benson University Center, this Wake Forest landmark is known for its delicious tavern menu and fun trivia nights!

3. Starbucks

Located in Z. Smith Reynolds Library and at the North Dining Hall, Starbucks is one of the best places on campus to grab a coffee and pastry, study and hang out with friends! The North Dining Hall’s Starbucks is a full-service venue serving breakfast and lunch selections alongside its celebrated beverages. It’s adjacent to the Provisions on Demand (P.O.D.) Market convenience store.

4. Zick’s

Named in honor of Ken Zick, former vice president and dean of student affairs, Zick’s is proud to enrich the Wake Forest Reynolda Campus as a favorite hangout and dining venue. Visit this landmark for pizza, wings and billiards or to watch a sporting event!
5. The North Dining Hall

Located north of Wait Chapel, the North Dining Hall brings together The Hilltop Market residential servery, Bistro ’34, Starbucks and Provisions on Demand (P.O.D.) Market.

The Hilltop Market combines the dining style of a modern servery with the fresh and healthy choices of a traditional residential restaurant. It is an á la carte destination allowing patrons to swipe through and exit with their selections. The menu features a wide variety of American favorites and global cuisine.

Also at the North Dining Hall is Bistro ’34, a fine-dining restaurant reflecting a contemporary American palate.

6. Subway & Provisions on Demand Convenience Store

Subway and the attached P.O.D. convenience store are located on Hearn Plaza in Davis Hall.

7. Einstein Bros. Bagels

Known for its perfectly baked bagels, Einstein Bros. also boasts some of the best coffee and espresso — famously known as its Darn Good Coffee® — deli sandwiches, breakfast egg sandwiches, lunch catering, and delicious baked snacks and sweets. Visit Einstein Bros. Bagels in Farrell Hall.

8. Campus Grounds

Conveniently located off Hearn Plaza. Stop by to enjoy locally roasted coffee and artisan-crafted products at this student-run gathering place.

Meal plan

All residential students are required to purchase a meal plan. There are several meal plan options available to you. Each meal plan consists of Meal Swipes, Old Gold Swipes and Food Dollars. Choose the one that best matches your dining lifestyle. For more information on plans and pricing, please visit: go.wfu.edu/f101mealplans

Food dollars

Food Dollars work like a debit account. Each time a purchase is made, the amount is deducted from the balance in your account. Food Dollars can be used at any campus dining location. Add Food Dollars to your account at any time by visiting wakeforest.campusdish.com or the dining office located in Reynolda Hall 12.

Meal swipes

Meal Swipes are used to access the Fresh Food Company, the Magnolia Room and the Hilltop Market. These locations feature a variety of stations, including a deli, salad bar, made-to-order Mongolian grill, Southern kitchen, pizza and steamed vegetables.

Old gold swipes

Old Gold Swipes are included in your total number of meals and serve as enhancements to the traditional meals. A portion of your Meal Swipes is considered Old Gold. In addition to their usage as traditional Meal Swipes, these swipes may be used to purchase combo meals in the following locations: Subway, Chick-fil-A, Moe’s Southwest Grill, Starbucks, Take Two Deli & Grill, Forest Greens, Shorty’s, Magnolia Room, Bistro ’34, Einstein Bros. Bagels and Zick’s.
What happens if I do not use all of my Meal Swipes or Food Dollars?

Any unused meals (including Old Gold Meal Swipes) expire at the end of each semester. Unused Food Dollars carry over from fall to spring semester but expire at the end of the spring semester.

What’s being served right now? Can I check the menu?

Our menus are available online at wakeforest.campusdish.com and through our CampusDish app, available for both Android and iOS.

What is the difference between Food Dollars and Deacon Dollars?

Food Dollars can be used only for food purchases. Deacon Dollars can be used at a variety of locations, including the bookstore and the Deacon Shop, in addition to Wake Forest Dining venues. Deacon Dollars carry over as long as you are enrolled as a Wake Forest student.

Can I add more Food Dollars?

Add Food Dollars at our office at Reynolda Hall 12 or by visiting wakeforest.campusdish.com.

Can I change my meal plan?

Meal plan changes are administered by the Office of Residence Life and Housing. For more information and deadlines, please visit go.wfu.edu/mealplanchange.

How do I track my meal plan usage?

Food Dollar balances can be checked at the kiosks located in the Fresh Food Company, through the residential dining hall cashiers and at wakeforest.campusdish.com. Meal Swipes can be checked through any residential dining hall cashier. Sign up for low-balance alerts on our site to stay up to date on your Food Dollars.

Am I required to have a meal plan?

All students who live on campus are required to have a meal plan. The requirement for amount of meals purchased varies depending on where a student is living on campus. Students who live off campus are not required to have a meal plan, but they may purchase a specialized commuter meal plan when they register their off-campus addresses in WIN. Please visit newstudents.wfu.edu/dining/mealplans for more information regarding Dining Services, including meal plan options and rates.
Meet Our Registered Dietitian

Food is the fuel your body needs to function. Making smart choices is a critical part of health and wellbeing. Special dietary needs and concerns can be accommodated by contacting our registered dietitian.

Please visit our main office in Reynolda Hall 12 for more information, or visit our website at wakeforest.campusdish.com

Vegetarian Options

The Wake Forest Dining community is passionate about providing vegetarian and/or vegan dishes in our venues every day to lessen environmental impact. An abundance of minimally processed plant-based food and produce is served in dining venues as well as by our catering department.

Reducing Food Waste with Campus Kitchen

Campus Kitchen and Wake Forest Dining have partnered to tackle food waste and hunger. Food that is prepared, but never served, is repurposed by Campus Kitchen into 300 regular meals per week for food-insecure individuals and families. Produce from the Wake Forest Campus Garden complements the repurposed food, so volunteers can make fresh meals from scratch in the Campus Kitchen (located, fittingly, in Kitchin House).

Sustainable Dining

One of our many goals at Wake Forest Dining is to advance the sustainability goals of our institution. Through sourcing, preparation and waste diversion (recycling and composting), we contribute to a more sustainable food and dining system. Our efforts include the following:

• Prioritizing foods and beverages that are grown and processed within 250 miles of campus, increasing freshness in seasonally available produce.

• Providing vegetarian and/or vegan dishes in our venues every day to lessen environmental impact. An abundance of minimally processed plant-based foods and produce is served in dining venues as well as by our catering department.

• Collecting prep waste in the Pit, coffee grounds at Starbucks and all food waste in North Dining for composting.

• Offering meals to go in reusable boxes, eliminating all Styrofoam containers.

• Recycling 100 percent of our fryer oil to be repurposed as biodiesel fuels.

• Saving 900 gallons of water per day through trayless dining, resulting in 198,000 gallons of water saved per school year.

For more information on Wake Forest University’s commitment to sustainability, please visit the Office of Sustainability website at sustainability.wfu.edu
Student Health Service (SHS) is here to help keep you as healthy as possible. College is more fun that way. When you’re sick, we’ll do everything we can to get you back to 100 percent. But more importantly, we provide you with the essential knowledge and skills necessary to form lifelong habits that lead to sustained wellbeing.

Through a variety of services — including a 24-hour nurse available during the academic year — we are committed to promoting and maintaining the health of our students with a comprehensive approach involving health education, health maintenance, acute care, appropriate care of chronic illnesses and referral assistance.

The following pages provide more details on what we do and how we can help you during your time in the Forest. If you have any questions, please feel free to give us a call or stop by.
Student Insurance Program

Health insurance coverage is required as a condition of enrollment for all degree-seeking students. Students may waive the coverage if they can demonstrate comparable coverage. Please see the Student Insurance Program website for more details about benefits, policy, enrollment/waiver instructions and eligibility. The deadline to enroll or waive this coverage is August 1. All students who do not complete this form will be automatically enrolled. Please visit: sip.studentlife.wfu.edu

Health Information & Immunization

Wake Forest University, per North Carolina state law, requires documentation of certain immunizations for students attending college. The Health Information and Immunization Form must be completed and returned to Student Health Service by June 30. Please visit: shs.wfu.edu/forms

Alcohol and Other Drugs (AOD) Safety

The Office of Wellbeing coordinates Wake Forest’s substance abuse prevention program. In addition to ongoing prevention programming, the office offers a number of AOD services: alcohol and other drug-related workshops, training and programming; private alcohol and other drug individual assessments and brief counseling consultation to students, parents, faculty and staff with regard to alcohol and other drug concerns; and referrals to community support services. For more information, contact our assistant director of wellbeing – alcohol and substance abuse prevention, Peter Rives, at rivespe@wfu.edu

Student Health Fee

Most services at SHS are covered by the Student Health Fee. In addition, there are discounted “fee-for-service” charges for medications, laboratory tests, observation care, procedures and some supplies. Payment can be made by cash, check, credit/debit cards, Student Blue Insurance or charged to the student’s account. Each student is given a copy of the medical charges incurred on the date of service, which can be used for insurance filing. Student Health Service neither participates in nor files insurance claims on behalf of patients. Forms can be found at shs.wfu.edu/forms Please return via email at hiif@wfu.edu

Prevention Programs

Wake Forest University is committed to providing a safe, secure and healthy environment for all members of the University community. As part of our comprehensive program for first-year students, Wake Forest University requires you to complete two online programs. Courses open on August 1, and all incoming students must complete both courses by August 24.

AlcoholEdu is designed to increase students’ knowledge, decrease harmful behaviors and provide information for safe decision-making in your college years and beyond. Please visit: thrive.wfu.edu

As part of Wake Forest University’s efforts to prevent sexual misconduct and interpersonal violence, students are required to complete HAVEN, an online course that defines behaviors that constitute sexual misconduct, ways to prevent sexual misconduct through bystander intervention, the avenues that are available to report sexual misconduct and the support resources available for students. Please visit: sopr.wfu.edu

WFU CHOICES

Cultivating Healthier Opinions In Challenging Everyday Situations (CHOICES) is Wake Forest’s substance abuse prevention program. WFU CHOICES offers a number of services: alcohol and other drug-related workshops, training and programming; private alcohol and other drug individual assessments and brief counseling consultation to students, parents, faculty and staff with regard to alcohol and other drug concerns; and referrals to community support services. For more information, contact our substance abuse prevention coordinator. Please visit: choices.thrive.wfu.edu

CAMPUS SAFETY

There is nothing on campus more valuable than you.

The Wake Forest University Police Department is committed to providing a safe and secure educational and working environment for students, faculty, staff and visitors. We are a full-service department with a 24-hour communications center, security officers and commissioned police officers. To help you learn more about programs, services and the operation of University Police, please browse the website at police.wfu.edu

Available Resources

Follow the WFU Police Department on Facebook.

Get the App! Live chat with police communications, give anonymous tips or safe walk with a friend.

Check out the Resource Officer page to find out who your building resource officer is.
Wake Alert

The University’s Wake Alert website is the primary source of information on emergencies: wakealert.wfu.edu

Campus Cable TV System

Televisions connected to the campus cable TV system will display alert messages on channels 2–35.

WFU Google Mail

The University will send a message to all WFU Google Mail addresses of students, staff and faculty.

Twitter

Wake Alert website announcements will appear on Twitter. Follow @WakeAlert

Indoor Alert System

Many academic and administrative buildings have advanced fire alarm systems that can announce an emergency using speakers in particular common areas. The messages are pre-recorded.

Outdoor Warning System

An alert message will be broadcast outdoors using speakers that activate a siren and announce a brief pre-recorded or live message.

Text Messaging

The University will send brief text messages to students, faculty and staff who have registered their cell phones on WIN. Undergraduates must register for the messages by providing their cell phone numbers when they register for classes each fall.

Please complete by August 18, 2017

➤ Using your WFU login, register your cell phone with Wake Ready in order to receive emergency notifications: wakeready.wfu.edu
➤ Register all property with WFUPD: police.wfu.edu/forms-pubs/operation-id

Student Financial Services manages all Wake Forest student accounts, including tuition, housing and other University-related fees. We’re here to help you in any way we can, and we welcome all questions you may have.

Please visit our website for more information on tuition and fees, billing, DEAC, Deacon OneCard, student account refunds, Dewar Tuition Insurance and other student financial information.
Tuition Insurance Program

An unexpected withdrawal due to sickness or injury can mean significant financial consequences for families. Wake Forest offers an elective tuition insurance program through A.W.G. Dewar, Inc., that will help minimize financial loss if a student suffers a serious illness or accident and must withdraw before the end of a semester. This plan extends and enhances the University’s published refund policy. In cases of withdrawal due to accident, illness or mental health conditions as defined in the plan, the program ensures up to a 75 percent refund throughout the term. The last day to purchase this plan is the day before the first day of classes. This plan must be renewed each semester. Please see our website for further details.

Student Account Refunds

Adjustments to charges, prepayments, financial aid disbursements and overpayments often result in credit balances on student accounts. A credit balance is indicated on the student account statement by parentheses surrounding the balance. Students can elect to receive their student account refunds via direct deposit. Please visit our website for further information regarding sign-up and the refund process.

Tax Form 1098-T

Each year by January 31, Wake Forest makes available via WIN (for students who have granted consent) or mails an IRS Form 1098-T to all students who had qualified tuition and other related expenses billed to them during the previous calendar year. Students, please visit WIN>personal>1098-T Electronic Consent to grant online consent.

IMPROVE YOUR FINANCIAL LITERACY & FINANCIAL WELLBEING!

Visit financialaid.wfu.edu/financial-literacy-tools-resources/ to learn how to make informed financial decisions throughout your college years and into your professional life.

The Deacon Electronic Account Center (DEAC)

This electronic billing system allows students and authorized payers to view student account activity in real time, 24/7. Payments are made via e-check through an authorized clearinghouse. DEAC accounts are automatically set up for all incoming students. Students access their DEAC accounts by logging into WIN>Personal>DEAC. DEAC has mobile capability, making it easier to view accounts via mobile devices. There is also a text message capability.

Student Financial Services does not set up accounts for parents or other third parties. Due to the Family Educational Rights and Privacy Act (FERPA), students must authorize parents or other third-party payers to have access to their accounts.

Please visit: finance.wfu.edu/sfs/deac
HAVE

FUN

ACTIVITIES FOR YOU
In the Wake Forest tradition of educating the whole person, we are committed to sustaining a multidimensional culture of health and wellbeing that will benefit our students long after they leave the Forest.

Wellbeing is about much more than physical health. Here, it’s a multi-faceted balancing act that — when maintained properly — leaves us best able to cope with adversity, build rewarding relationships and live with a sense of purpose. THRIVE is a campus-wide initiative — owned by every member of the Wake Forest University community. The Office of Wellbeing leads the campus in making wellbeing a part of every experience in the lives of our students, faculty and staff.
You’ll see the evidence everywhere as you walk around campus: outdoor reading rooms, signature green bistro tables and chairs strewn across the center of campus with game carts nearby, an outdoor piano (it’s our newest Quad tradition to sit down and play at least once, even if you have no musical training!), outdoor classrooms, exercise equipment and more on the way.

With eight dimensions to explore (intellectual, physical, emotional, spiritual, environmental, occupational, social and financial), we are committed to attending to your wellbeing from the moment you arrive in order to help you thrive wherever life should take you.

Campus Recreation

The Department of Campus Recreation seeks to enrich the quality of life for the students, faculty and staff of Wake Forest University through quality programs and facilities designed for individuals of all ability levels. Such programs include intramural sports, club sports, Outdoor Pursuits, open recreation, group fitness and personal training. Campus Recreation is also responsible for managing the Miller Fitness Center and all of the activities within Reynolds Gymnasium. Campus Recreation provides a healthy outlet for every student and a convenient option for every staff and faculty member in a safe place where the whole person is central each and every day.

Please visit: go.wfu.edu/f101campusrec

Fitness

Group fitness offers over 30 classes per week, including yoga, Zumba and cycle. Personal training allows for one-on-one programming from certified trainers. The fitness center offers a variety of cardio, selectorized, plate and functional training equipment. Small group training and online coaching are also available.

Please visit: go.wfu.edu/f101fitness

Club Sports

The Club Sports program consists of over 40 different teams ranging from archery to waterskiing. Club Sports teams are student organizations designed to continue or begin interest in a given activity or sport. Teams compete against neighboring universities.

Please visit: go.wfu.edu/f101clubsports
Intramural Sports

Intramural Sports offers a sports league, tournaments and special events at Wake Forest. Both team and individual sports are offered in various levels of on-campus competition. Intramurals employs over 100 students and coordinates nearly 800 teams each academic year!

Please visit: campusrec.studentlife.wfu.edu/intramural

Recreational Facilities

In order to meet the need for both organized and spontaneous play and activity, Campus Recreation has numerous recreation facilities available for every student, faculty or staff member. There are three recreational sports fields, two outdoor basketball pads, eight tennis courts, a Frisbee golf course, jogging trails, multiple gymnasiums, a swimming pool and group fitness studios, as well as numerous selectorized and free weight machines located in both the Reynolds Gymnasium and the Miller Center — both adjacent to the Kentner Stadium track in the heart of campus. With your university ID, you can access these facilities seven days a week outside of holidays or weather-related closings.

Outdoor Pursuits

Outdoor Pursuits provides Wake Forest students with a variety of on- and off-campus outdoor adventure opportunities. From our on-campus climbing gym, the CRUX, to the Grand Canyon and even some international destinations, Outdoor Pursuits has an adventure for everyone! No experience is necessary.

Please visit: go.wfu.edu/f101outdoor

Religious Life and the Office of the Chaplain

As part of fulfilling its mission and achieving its goals, Wake Forest University seeks to encourage students, faculty and staff to “explore the spiritual dimensions to human existence in ways that prompt examination of self and perceptions of the world.” The religious and spiritual components of the University’s programming are intended to encourage the pursuit of meaning through spiritual reflection and free inquiry, enabling a wide circle of inclusion and identifications, advancing mutual understanding and respect among differing traditions, while at the same time fostering Wake Forest’s Baptist history and traditions in real and tangible ways.

What Does the Office of the Chaplain Do?

➤ Provides hospitable spaces, support and safety to students as they connect their religious and spiritual lives with their Wake Forest education

➤ Offers pastoral care to individuals and the Wake Forest community

➤ Educates the Wake Forest community on religious diversity, holy days and spiritual practices

➤ Convenes groups for interreligious engagement and dialogue

➤ Offers alternative spring break activities and so much more!

Stop by Reynolda Hall 22 or call 336.758.5210 for more information. chaplain.wfu.edu
Because there's more to school than school.

Wake Forest offers you the opportunity to expand your horizons within a community that is at once rooted in enduring traditions and characterized by innovation and adaptability to fast-changing contexts. Campus Life invites you to become an engaged citizen in our community, to enhance your self-awareness and grow as a courageous leader, and to be a part of tradition while also being a part of the future. Your Wake Forest experience will allow you to not only broaden your perspective but also deepen your view.
Campus Life at Wake Forest offers a multitude of ways to connect, explore and grow. Throughout the year, you’ll be able to take part in programs that complement your academic experience through the arts, traditions, political involvement, media and community service. Throughout these experiences, you’ll develop new skills, new friendships and new ways of seeing the world.

Consider becoming an invested community member in one of the 175 chartered student organizations on campus. From service-oriented organizations to political groups to social organizations and religiously affiliated groups, there is bound to be an organization that aligns with your interests and curiosities.

**Student Involvement Fair**

The Student Involvement Fair occurs annually, early in the academic year. Students will have the opportunity to meet representatives from student organizations, community service partners and more!

**Wake the Demons/First-Year Tailgate, August 31**

Thursday, August 31, at 7 p.m. vs. Presbyterian. Kick off the 2017 Wake Forest football season with your class! Wake Forest Athletics and Campus Life sponsor a free event with food trucks, music and prizes exclusively for the incoming class at the first home football game. Storm the field with your class prior to the game and open the gate for the team. Free food, music and tons of Deacon spirit!

**Family Weekend, October 27–29**

Parents and families of Wake Forest students are invited to attend an exciting weekend filled with activities, including the football game against Louisville, parent information sessions, an address by President Nathan O. Hatch, programs on the history of Wake Forest, numerous open houses and Sunday brunch.

---

**Homecoming**

Homecoming is fall reunion weekend for alumni, friends and students of Wake Forest. It includes the Homecoming football game against Utah State and several social activities organized by Student Union, Student Government, the Alumni Office and Athletics.
The Deacon has been dominating opponents in one of the nation’s premier athletic conferences for years.

As the smallest school in the Atlantic Coast Conference, Wake Forest continually proves that it’s not the size of the school in the fight, it’s the size of the fight in the school. With national championships, ACC regular season titles and tournament championships, NCAA basketball tournament appearances, bowl games and a signature ACC football championship in 2006, Wake Forest University competes — and wins — at the highest level of collegiate athletics.

With the full support of the legendary Screamin’ Demons and the entire Wake Forest community wearing their black and gold, Demon Deacon athletic events are something you don’t want to miss. And much like our loyal fans, your voice will also return.
**How 'Bout Them Deacs?!**

**The Deacons** took the crown in 1955 as the first ACC school to win baseball’s College World Series.

**Brian Piccolo**, the subject of the acclaimed movie Brian’s Song, was the 1964 ACC player of the year for the Deacs.

**Eight NCAA Championships** have been claimed by the following teams: field hockey (2002, 2003, 2004); men’s golf (1974, 1975, 1986); baseball (1955); and men’s soccer (2007).

**Arnold Palmer**, golf legend and former Wake Forest student, won the inaugural ACC championship in 1954.

**Other Notable Deacons:** Tim Duncan, Chris Paul, Webb Simpson, Bill Haas and Laura Diaz.

**Twice, Wake Forest** has won back-to-back ACC men’s basketball titles, accomplishing the feat in 1961–62 and again in 1995–96.

**11 Former Wake Forest** golfers have won a total of 11 major championships, which is the third most of any university.
Where are the athletic facilities?

Wake Forest’s facilities are located both on and off the Reynolda campus. Field hockey and track and field utilize Kentner Stadium, which is located next to Reynolds Gym. The men’s and women’s soccer teams practice and play at Spry Stadium, adjacent to Polo Residence Hall. The volleyball team uses Reynolds Gym as its home facility. The baseball, football and basketball facilities are adjacent to each other off campus on Deacon Boulevard. The football team plays at BB&T Field, the basketball team hosts its home games at the Lawrence Joel Veterans Memorial Coliseum and the baseball team competes at David F. Couch Ballpark. The men’s and women’s tennis teams practice and play at both the Wake Forest University Indoor Tennis Center and the Wake Forest Tennis Complex.

How do I get to the football stadium?

The stadium is a short walk from campus. Prior to football games, the Athletics Department runs shuttle buses between the Reynolda Campus and BB&T Field. The buses typically start picking up students at Wait Chapel four hours before game time. As kickoff approaches, additional shuttle buses will also make pickups at Benson University Center.

How do I get tickets to athletic events?

All undergraduate students receive free admission to all Wake Forest athletic events by showing their Deacon OneCards. However, the number of seats at these games is limited, and spots are first-come, first-served.

Can students tailgate at football games?

There is a designated student tailgate area within the University Tennis Center, which is behind the East Stands at BB&T Field. Any recognized student organization can reserve space at the student tailgate by contacting WFU Sports Marketing.

Where can I get apparel?

Wake Forest apparel items are sold at Deacon Shops in Kitchin Hall and in Hanes Mall. Be proud and wear your black and gold!

How do I try out for a team?

The walk-on tryout process varies from team to team. The best thing to do is to contact the specific athletic team on which you would like to participate.

How much does it cost?

There is no cost for students to attend athletic events. There is a minimal cost for students to join the Screamin’ Demons.

What is a Screamin’ Demon?

The Screamin’ Demons are a student group that supports all Wake Forest athletic teams. They are considered the loudest and proudest Wake Forest fans, and their presence helps to create the energy and atmosphere that make Wake Forest sporting events such a great tradition. Membership in the Screamin’ Demons includes T-shirts for football and basketball games. Screamin’ Demons also receive priority for the best seats at sporting events. Please visit: wakeforestsports.com/screamindemons
WHAT DOES IT MEAN TO ROLL THE QUAD?

AFTER BIG ATHLETIC WINS, WAKE FOREST STUDENTS GATHER ON THE QUAD (HEARN PLAZA) TO THROW ROLLS OF TOILET PAPER OVER THE TREES. FOR DEMON DEACONS, THERE IS NOT A MORE BEAUTIFUL SIGHT! LEARN THE PERFECT TECHNIQUE ON PAGE 17.
With a laid-back, artsy vibe, Winston-Salem offers the convenience of a smaller city without the drama of a metropolis. Head west to the mountains, head east to the beach — either is a just a few hours away. Along with 250 years of history, the City of Arts and Innovation has two film festivals, six colleges and universities, professional baseball, 450 restaurants, opera and plenty of green space.

So grab a friend and get out there, explore and make yourself at home.

PEPSI COLA
If you crave a complete change of scenery from the Quad’s Georgian architecture, grab your scientific calculator and safety goggles and hop on a shuttle bound for Wake Downtown — an extension of our campus in Wake Forest Innovation Quarter. To offer hands-on engineering and science courses to our undergraduates, the Forest has grown beyond the bucolic green expanses of Reynolda Campus into the wild urban jungle of downtown Winston-Salem.

Students enrolled in the engineering and biomedical sciences programs at Wake Downtown are immersed in an active, roll-up-your-sleeves learning environment. Experiential learning normally reserved for graduate-level study is the cornerstone of these undergraduate opportunities.

While most areas of study fall under Engineering, Biochemistry & Molecular Biology, and Medicinal Chemistry & Drug Discovery, courses in the humanities will also be offered in this interdisciplinary new space. To provide our Wake Downtown students with every advantage, we set up shop right next to the Wake Forest School of Medicine facilities — to give our undergraduates proximity to those labs and research spaces and encourage teaching and collaboration among faculty.
**B.S. in Biochemistry and Molecular Biology**

Learn what makes life possible with this interdisciplinary degree offering from the departments of Chemistry and Biology. Understanding growth, development, reproduction and genetics begins with the study of life at the molecular and cellular levels. With a highly engaged, hands-on approach to learning, faculty and students will use analytical and quantitative methods in the chemical and physical sciences to learn practical skills for addressing today’s complex biological, biochemical and biomedical challenges. Students will partner with faculty mentors for at least two semesters and/or summers of research, culminating in a senior research project.

**Concentration in Medicinal Chemistry and Drug Discovery**

Discovery is for people who love a challenge as much as they love learning. Leveraging the strength of the Chemistry department’s research program, Wake Forest now offers a concentration in Medicinal Chemistry and Drug Discovery. With the goal of identifying new therapeutic agents, faculty will engage students in an in-depth study of the connections between chemical structure and biological function. This concentration is especially attractive to students in health-related fields, biomedical sciences and pharmacology. This offering provides a new avenue to earning an American Chemical Society certified B.S. degree.

**B.S. in Engineering**

This bachelor of science program is innovative and hands-on, just like a good engineer. It offers a comprehensive and fully immersed technical education with a firm academic grounding in the liberal arts. With Wake Forest’s unsurpassed student-faculty engagement and real-world learning opportunities, the curriculum extends beyond that of a typical undergraduate engineering program. This bachelor of science major offers an optional concentration in biomedical engineering.

**Minor in Biomaterials Science and Engineering**

The stuff of science fiction is growing in our labs. Faculty at the Wake Forest Institute of Regenerative Medicine — the scientists who collaborated on this new 15-hour minor — are doing groundbreaking research in biomaterials science and engineering. Through this minor, housed in the Department of Engineering, students will be introduced to the ways researchers study and mimic biological materials like bone, soft tissue and muscle. This minor will particularly complement majors in Biology, Physics, Chemistry and Engineering.
the
All You
Can Learn
Buffet of
Knowledge
Complementing this book is newstudents.wfu.edu, where you’ll find this information as well as relevant forms and documents.

The Information Systems Service Desk (help@wfu.edu) sent a message to the email address provided on your admissions application. The email contains instructions for activating your myDeacNet Account. Your DeacNetID (user name) and password will enable you to access your WFU Google Mail account as well as the Wake Information Network (WIN) and other online services. Activating your myDeacNet Account allows you to manage your account from any computer, any place with an Internet connection. If you have not received this email, please contact the Information Systems Service Desk at 336.758.4357.

Starting now, plan to check your WFU Google Mail account regularly for vital information at google.wfu.edu.

By August 1, Information Systems recommends that you enable Google 2-Step Verification for your WFU Google Mail account in order to protect your personal information. Watch the helpful video at go.wfu.edu/google2step.

WIN is the administrative system used by students to register for classes, update contact information and access student accounts. In WIN, you will also find your Student ID number under Personal > Your Personal Information. You can access WIN by using your DeacNetID (user name) and password at win.wfu.edu.
Relax. We’ve got you covered.

Conveniently located in the following pages is a comprehensive list of all the things you’ll need to do before you arrive and exactly when you’ll need to do them.

Responsibility comes in many forms. Make sure you complete them.
May 1
- Purchase your laptop through WakeWare

I hope that in this year to come, you make MISTAKES.

Because if you are making mistakes, then you are making new things, TRYING new things, LEARNING. Writing. PUSHING. Changing yourself, changing your world. You’re doing things and more importantly, DON’T freeze because it isn’t good enough. Whatever it is: art, or love, or work or family or life. Whatever it is you’re some how of doing, do it!

Make your MISTAKES next year and FOREVER.

- NEIL GAIMAN
With students hailing from a wide range of backgrounds and personal experiences.

The Office of Student Financial Aid exists to help you find the resources you need to attend Wake Forest. To learn more about the options available to you, please consult the facing page. Feel free to contact us directly using the information below, or visit us online at financialaid.wfu.edu.

Improve your financial literacy and financial wellbeing! Visit financialaid.wfu.edu/financial-literacy-tools resources to learn how to make informed financial decisions throughout your college years and into your professional life.

SOCIAL
WAKE FOREST UNIVERSITY FINANCIAL AID
If you have not yet applied for need-based financial aid, please go online for application instructions and answers to frequently asked questions: financialaid.wfu.edu

Students considering non-need-based financing options may wish to investigate loan programs. A list of frequent Wake Forest student lenders and details is at this website: financialaid.wfu.edu/supplemental-loans-from-private-vendors

If you have received a financial aid award notification, please ensure that you have read financialaid.wfu.edu/info-for-aid-recipients and the Undergraduate Bulletin, which list important rights and responsibilities and contain essential information for financial aid recipients.

Carefully monitor your WFU Google Mail for messages from financial-aid@wfu.edu. Through WIN, students can securely and efficiently view and manage their financial aid records. The initial financial aid award notification is generally the only paper notification sent to students; all subsequent financial aid notifications are made electronically through email and WIN.

Your account statement, available online via DEAC (Deacon Electronic Account Center), should reflect the fall semester’s estimated financial aid award after June 1. Most financial aid funds are credited to students’ accounts near the beginning of each semester.

If your notification includes an offer of Federal Work-Study Employment, your account statement will not include work-study earnings, which are paid directly to you biweekly as work is performed. Placement, either on campus or in nearby community service organizations, is made by the Student Employment Coordinator based on a survey of student interests and skills.

If your notification includes an offer of a Federal Perkins Loan or Wake Forest student loan (Denmark, Hutchins or Wallace), please note that instructions for completing loan promissory notes are sent by Wake Forest University to enrolling students, just prior to the start of the fall semester.

Outside scholarships count as student resources, becoming part of the package of financial aid, and do not replace or reduce the expected family contribution. Because outside scholarships often reduce eligibility for previously awarded financial aid programs, please notify Student Financial Aid as soon as possible of any outside scholarships that you have been awarded.

Athletic scholarship recipients should contact Athletics Compliance at 336.758.3992 with any questions.

Merit scholarship recipients with any questions, and other students who are interested in merit scholarship opportunities, should visit college.wfu.edu/scholars
As stated in the College’s mission, Wake Forest dedicates itself to fostering “habits of mind that ask ‘why,’ that evaluate evidence, that are open to new ideas, that attempt to understand and appreciate the perspectives of others, accept complexity and grapple with it, that admit error and that pursue truth.” Advising at Wake Forest reflects this vision and aspires to encourage students on a personal journey — one in which courses chosen and decisions made both inside and outside of the classroom are intentional and reflect exploration, open-mindedness, creativity, appropriate risk-taking and willingness to learn from challenges.

OFFICE OF ACADEMIC ADVISING

Lower Division Advisers

The lower division adviser is a member of the faculty or staff who provides guidance. Your lower division adviser will be available during New Deac Week to review your schedule with you. Until you declare a major, your lower division adviser will guide and support you during and between registration periods except the first round, this summer. A face-to-face meeting with your adviser is required before all registration periods except the first. Students are encouraged to arrange additional meetings at any time to seek advice or assistance.

You will be assigned a lower division adviser and a student adviser in mid-August.

Student Advisers

Your student adviser is a current student who is trained to provide mentorship and will work with your lower division adviser. Both will be available to assist you with your transition to Wake Forest. Your student adviser will reach out to you via WFU Google Mail in mid-August.

Professional Advising Staff

In addition to your Lower Division Adviser and your Student Adviser, Academic Counselors in the Office of Academic Advising can assist with advising needs.

Please visit: advising.wfu.edu

Pre-Professional Advisers

Pre-professional advisers for the Health Professions (medical, dental, veterinary medicine, PA, PT, nursing, etc.), Pre-Law, Pre-Engineering and Pre-Business are also available at advising.wfu.edu/pre-professional-advising/

Nota the 2017–18 Academic Calendar:

Wfu.edu/academics/calendars

It contains important dates regarding holidays, exams and course drop and add dates. Copy these dates into your calendar now; you are expected to be present on all dates that the college is in session through your last exam.
You have chosen a school that emphasizes the liberal arts. So you should be expecting — and eager — to play the intellectual field. Explore. Learn broadly. Use your first two years to see which areas of study excite you, and draw on your strengths so that you can choose a major wisely.

The Undergraduate Bulletin is an essential document that describes the academic policies that bind both students and the University, including your core academic requirements. You will receive a hard copy at Orientation, but even before you arrive, you can begin to browse an electronic copy at wfu.edu/academics/bulletins. The bulletin is a document that you will need to read carefully and keep close at hand for reference throughout your time at Wake Forest.

Bookmark the section titled “Requirements for Degrees.” These requirements are also summarized over the next few pages.

Core Requirements

Basic requirements

First-Year Seminar (FYS 100, 3 hours): required for all students. This class is to be taken during the first year.

Writing Seminar (WRI 111, 4 hours): required unless you are exempted by an AP Language & Composition or AP Literature & Composition score of 4 or 5 or IB higher-level English Language score of 6 or 7. This class is to be taken during the first year.

A 200-level foreign language course (3 hours), which might require prerequisites. Placement is determined by the Foreign Language Placement Test. See the Foreign Language Placement section for more info (p. 92). You might be exempt based on AP/IB score. Students whose primary language (the language of instruction in the student’s prior schooling) is other than English are exempt from the basic requirement in foreign language, and must fulfill the Division II requirements with a course where readings do not concentrate on the literature of the student’s primary language (2017–18 Bulletin). These students should contact the Dean’s Office to process the exemption.

Health and Exercise Science (HES 100 and 101, 1 hour each): required for all students.
Divisional Requirements

You must complete courses in each of the five divisions of the undergraduate curriculum while enrolled at Wake Forest. Advanced Placement (AP) or International Baccalaureate (IB) credit for these courses can be used for elective credit but cannot be used to satisfy divisional requirements. Courses satisfying a divisional requirement are designated (D) after their descriptions in the Undergraduate Bulletin and under course attributes on WIN. The Course Completion Checklist (registrar.wfu.edu/academic) also lists current courses that meet divisional requirements.

Cultural Diversity and Quantitative Reasoning Requirements

One Cultural Diversity (CD) and one Quantitative Reasoning (QR) course are required. These can be taken at the basic, divisional or major/minor level or as electives. CD and QR designations are found after course descriptions in the Undergraduate Bulletin and under course attributes on WIN.

Humanities — 2 Courses*

- History
- Philosophy
- Study of Religions
- Women’s, Gender & Sexuality Studies

Literatures — 1 Course

- Literatures Written in English (English Department)
- In English Translation (Classical Languages, East Asian Languages and Cultures, German and Russian, Romance Languages and the Program in Humanities)

Fine Arts — 1 Course

- Art
- Music
- Theatre
- Dance

Social Sciences — 2 Courses*

- Anthropology
- Communication
- Economics
- Education
- Politics and International Affairs
- Psychology
- Sociology

Math & Natural Sciences — 2 Courses*

- Biology
- Chemistry
- Computer Science
- Mathematics and Statistics
- Physics

* must be from two different departments
Choosing a major is a big decision, and one you don’t need to make right away. Our core requirements are designed to provide you with the appropriate time to expand your perspective and either confirm your instincts or turn you in an entirely new academic direction.

In your first year, we encourage you to test the waters for the majors and potential careers that interest you most. Take advantage of the opportunity to discuss majors and minors you are considering with your academic advisers, the Office of Academic Advising (OAA), the Office of Personal and Career Development (OPCD), department representatives at the Major/Minor Fair and adults who have made a career of the majors you are considering.

And don’t forget to enjoy the journey.

Many students choose to focus on the core requirements in their first two years. Don’t worry about trying to do it all at once, though. You have all four years to complete all requirements.

*concentration available
You will register for your fall classes in July. Although your lower division adviser will not be assigned to you yet, there are many resources available to help you plan!

**OFFICE OF THE UNIVERSITY REGISTRAR**
Website: registrar.wfu.edu
Phone: 336.758.5207
Fax: 336.758.6056
Email: registrar@wfu.edu

**MAILING ADDRESS**
P.O. Box 7207, Winston-Salem, NC 27109

**LOCATION**
Reynolda Hall 110

Over the summer (May–August), you can contact academic counselors in the Office of Academic Advising with questions. They can be reached at undergraduateadvising@wfu.edu or 336.758.3320.

**IF YOU HAVE PREVIOUS COLLEGE COURSEWORK... BRING IT!**
These are some resources to help you along the way. Visit go.wfu.edu/f101registrationguide to receive step-by-step instructions.

- Forestry 101 Academics & Registration Sections (pp. 89-93) and the corresponding website newstudents.wfu.edu

- Advising resources, including Pre-Professional advising resources, on the Office of Academic Advising website: advising.wfu.edu/current-students

- The Undergraduate Bulletin can be found at wfu.edu/academics/bulletins

- Course Completion Checklist. A list of all courses that count for basic and divisional credit in a particular academic year are found at registrar.wfu.edu/academic

- Academic counselors in the Office of Academic Advising, available by telephone at 336.758.3320 and email (undergraduateadvising@wfu.edu) during business hours

- Timely email messages from the Office of Academic Advising and the Office of the University Registrar with information about choosing courses and registration
Steps to Complete

1. Complete the Directed Self-Placement (DSP).
   Due June 9

   The DSP helps you make an informed decision about which writing-intensive course (WRI 105, WRI 111, WRI 210 or FYS 100) to take first. To complete the DSP, you will read an article and write a response. You should give yourself roughly a week to complete this response in order to simulate the expectations of college-level work. You will then answer questions that help you to reflect on this writing experience and your past experiences as a reader and writer. Use the instructions we provide to help guide your choice of a writing-intensive course based on your answers to the reflective questions.

   The DSP coordinator and professor of your first writing-intensive class will receive your response and your answers to the reflective questions. Although you will not receive direct feedback on your essay, the DSP coordinator will email you feedback about your placement choice prior to the first round of registration.

   For instructions, more information and course descriptions for all writing-intensive course options, please see go.wfu.edu/f101dsp

2. Report Incoming AP or IB scores

   If you think your academic past can be part of your Wake Forest future, we want to hear all about it.

   AP/IB credit is reviewed and awarded by the Office of the University Registrar. Some of these credits will allow you to skip lower-level coursework or serve as a prerequisite for higher-level courses. AP/IB credit cannot be used to satisfy divisional requirements; however, credits earned through AP/IB will count toward the 120 hours necessary to graduate. Instructions for submitting scores are on the next page.

   Students often forget to send scores from previous years; check with the College Board to make sure all your scores are sent to WFU. Once your scores are received and processed, you can see them listed in your academic transcript in your WIN account.

You must complete an FLP test if you studied any of the following languages: Chinese, French, German, Italian, Japanese, Latin, Russian or Spanish. The tests can be found on WIN > Virtual Campus > FLP. Each test will take between 1 and 1.5 hours to complete.

You should take the FLP test for any language(s) studied in high school, even if you intend to start the study of a new language (in case you change your mind in the future!).

If you know you scored 3 or higher on an AP language exam or 6 or higher on an IB foreign language higher-level test, you do not need to take the FLP test because your foreign language placement will be based on your AP/IB score (see Step 2 for instructions on how to report your official AP/IB scores).

If it is after July 13 and your AP/IB scores have not been applied to your academic record or you do not know the results of your AP/IB scores, complete the FLP test. Your placement will be adjusted if a late-arriving AP/IB score indicates a different placement.

If English is your second language, do not take the FLP test in your native language. You might be exempt from the foreign language requirement. Contact Dr. Thomas Phillips about processing a foreign language requirement exemption.

For further instructions, information on exemptions and other frequently asked questions, please see newstudents.wfu.edu/advising/foreignlanguage

When registering for your foreign language:

If starting a new language, start at the level 101 or 111.

If continuing with a language you previously studied, enroll in the class in which you are placed through the FLP test or AP/IB score. If you believe your FLP score is inaccurate, register as we have instructed, but discuss your concerns with your foreign language professor once you arrive on campus.

4. Complete Writing Course Survey. Due June 23

Complete the Writing Course Survey that will be sent to you on June 16 and is due on June 23. This brief survey will help us determine which first-year writing course is the best fit for you. The staff of the Office of Academic Advising will use this information to register you for your first-year writing course. It is possible that if you bring in AP credit for WRI 111 that you might not be registered for a first-year writing course, but rather be advised to take your FYS 100 course during the Spring 2018 semester. When you register for your fall courses, you will be allowed to register for up to 12 total hours, including the 3 or 4 assigned to your first-year writing course.
Advising for Pre-Professional Interests

**Interested in the School of Business?**
Admission to the School of Business undergraduate program is by formal application in January of the sophomore year, and applicants are screened by the School’s Committee on Admissions, Continuation, and Scholarships. The number of students that can be accommodated is limited, and meeting the minimum requirements is not a guarantee of admission. The School of Business, therefore, reserves the right to grant or deny admission or readmission to any student even though he or she meets the minimum requirements. For more details about admission requirements, please see the 2017–18 Bulletin at wfu.edu/academics/bulletins

**Interested in a Career in Health?**
Careers in the health professions (e.g., medicine, dentistry, veterinary, physician’s assistant, physical therapy, nursing) do not require a particular major, but they do require planning in order to complete requirements and take advantage of additional learning opportunities, such as study abroad. Most pre-health students will take one to two science classes in the first semester. For important information about course recommendations based on your AP/IB experience and projected major, see the following website: college.wfu.edu/prehealth

**Interested in Law School?**
There are no specific requirements for students interested in attending law school. You are encouraged to take courses that develop your skills and interests, challenge you to think critically and creatively, and prepare you to read, write and communicate well. For more information, see the following website: college.wdu.edu/prelaw

Advanced Placement Scores

Wake Forest needs to receive your AP scores directly from the College Board. Contact the College Board as early as possible, but no later than June 10, to request that your scores be sent to the Office of the University Registrar (college code 5885). If you request your scores by this date, they should be received at Wake Forest University in time for registration in July. You must complete this process to ensure that the University Registrar receives your official scores, even if you submitted AP scores with your admissions application or prior to your enrollment. Please note that score processing may take up to two weeks once Wake Forest receives the scores from the College Board. Scores of 4 or 5 will generally result in students being granted AP credit, but there are exceptions. For information on credit awarded, course equivalency and exemption information for specific tests and scores, see: go.wfu.edu/f101apcredit

International Baccalaureate Scores

Official IB transcripts must be submitted to the Office of the University Registrar. Contact your IB program coordinator or submit a request through the IB website as soon as possible. For more information regarding transcript submission, credit awarded, course equivalency and exemption information, please refer to: go.wfu.edu/f101ibcredit

Checking Credits Awarded

To determine if your AP/IB credits have been applied to your academic record, go to WIN > Virtual Campus > Academic Transcript after July 13.

If you believe you will have AP/IB credit for a course and it is not recorded on your transcript by Round I of registration, do not register for the course in question. Most students do not want to take a class at Wake Forest for which they will obtain AP/IB credit. Qualifying scores received later will still gain you course credit.
Wake Forest is an equal access institution that admits qualified applicants without regard to disability. When a student with a disability is admitted, the University seeks to accommodate those needs that are determined to be reasonable and that do not compromise the integrity of the curriculum.

LEARNING ASSISTANCE CENTER
Website: lac.wfu.edu
Phone: 336.758.5929
Fax: 336.758.1991

MAILING ADDRESS
P.O. Box 7283, Winston-Salem, NC 27109

LOCATION
Reynolda Hall 117

If you are a student with a disability and require accommodations, you will need to:

A. Complete a request for consideration form found on the Learning Assistance Center website.

B. Submit documentation of your disability.

Electronic submission of documentation should be sent to lacds@wfu.edu, or you may choose to send your documentation directly to our mailing address (see above).
Guidelines for Documenting Disabilities can be found on the Disability Services web page.

Regarding Learning Issues
Learning Assistance Center & Disability Services, Van D. Westervelt, Ph.D.
P.O. Box 7283
Winston-Salem, NC 27109
Email: westervd@wfu.edu
Phone: 336.758.5929

Regarding Medical or Mobility Issues
Student Health Service
P.O. Box 7386
Winston-Salem, NC 27109
Email: price@wfu.edu
Phone: 336.758.5218

Documentation is due no later than July 1 for decisions regarding the Fall 2017 semester. The information that you send to us will be treated confidentially and will be shared with other administrators or faculty members only to the extent necessary to reach decisions and take actions on requests for accommodations. lac.wfu.edu/disability-services
Please make an appointment at the Learning Assistance Center once you arrive on campus. Additional information on disability services is available on the Learning Assistance Center website: lac.wfu.edu
THE EARLY BIRD GETS THE CLASS
Registration for fall classes will take place over the summer. The Office of the University Registrar will notify you in early June via WFU Google Mail when your registration date and time have been assigned. This section will introduce you to the process of registration. Your registration will occur in several phases.

On June 16, you will receive a Writing Course Survey. Please complete this survey and submit it by June 23. This brief survey will help us determine which first-year writing course is the best fit for you. The staff of the Office of Academic Advising will use this information to register you for your first-year writing course before you begin your own registration. Most new students will take a writing-intensive class during the fall, but if you have AP or IB credit for WRI 111, you may wait until spring semester to take your FYS 100 class.
At your designated registration time on July 24, you will be permitted to log into WIN and access registration. You will be allowed to register for up to (and including) 12 hours. Please note that these 12 hours will include the 3 or 4 hours of credit assigned to the writing course already on your schedule. Access to registration will be available to you from July 24 through July 28. Beginning July 29, your access to registration will be closed.

The professional advising staff will craft the remainder of your fall class schedule based on your responses to the Course Preference Survey. You will be able to view your fall class schedule beginning August 21. You will not be permitted to make any adjustments until the first day of class.

**Wake Information Network (WIN)**

WIN is your one-stop source for accessing Wake Forest online services and resources. Most of your academic services are under VirtualCampus in WIN. You can use WIN to track how each of your credits is applied to your degree, to view your midterm and final grades, to view the schedule of classes each term, to register for class and to view your class schedule.

Here are some common registration errors.

**Class restriction**
Course or section is restricted to students in a particular classification (e.g., first-year, sophomore, junior).
Your classification level must be the same as the course at the time you take it. Restrictions are listed following the course description in the Undergraduate Bulletin.

**Corequisite**
Course has corequisite; you must be registered for both.
Corequisites are listed in the course description in the Undergraduate Bulletin (as indicated with a "C"). Select both corequisites simultaneously, and register for them at the same time.

**Duplicate course**
Course is the same as another registered course.
Register for a different course.

**Maximum hours exceeded**
Maximum hours for that registration round will be exceeded with addition of the class.
Make adjustments to schedule.
Cannot exceed the limit established for the registration round.

**Instructor signature**
Permission of instructor is required to register for class.
Seek permission of instructor. Contact department for more information.

**Missing prerequisite and/or test score**
Prerequisite or placement test score is missing or insufficient to register for the course.
Prerequisites are listed in the course description in the Undergraduate Bulletin (as indicated with a "P"). Make sure all AP/IB and prior college credits have been received by WFU and are visible on your academic transcript.

**Time conflict**
Course conflicts with another registered class.
Find another class that meets at a different time.

**Reserved/closed**
Reserved seating for entry term is at maximum capacity.
Register for another course.

**Closed section**
Section is at maximum capacity.
Register for another course.
How are my registration dates and times determined?

The assignment of registration dates is based on classification. Seniors register the first day of the registration period, juniors the second day, sophomores the third day and first-year students the fourth day. Classification is determined by earned hours. The assignment of registration time is random within each classification year.

What do I do if I am traveling or have a conflict when my registration period starts?

Your registration can be accomplished using any device with Internet access. Your access to registration begins at the assigned time and ends July 28 at 11:59 p.m. EDT, so you can register for classes at any time that is most convenient for you once your registration time opens. If you will be unavailable the entire week of Round I registration, please contact the Office of Academic Advising prior to July 21.

How do I begin to decide what courses to register for during Round I?

There are many resources available to help you think about course selection (see p. 87). What you decide to prioritize for Round I registration will depend largely on your academic interests. The CPS will help you reflect upon those interests and will also guide you through making decisions about courses to fulfill basic, divisional or pre-professional requirements.

A typical first-semester schedule should include a writing-intensive course, as determined by your DSP (unless you received AP/IB credit for WRI 111, in which case you may wait to take an FYS in the spring). Remember, you will be registered for this class before you complete Round I registration. Many students choose to begin working on their foreign language requirement along with other divisional requirements, while others choose to delve right into areas of academic interest or electives. Rest assured, there is no right or wrong answer!
How many credit hours should I have each semester?

Your credit hours each semester will be somewhere between 12 and 17 hours; 12 hours is the minimum required to be considered a full-time student. Exceeding 17 hours requires special permission; 15 hours is the average course load per semester.

We typically recommend having 12 to 15 hours for your first semester at Wake Forest. A strong first semester is always better than an overly ambitious plan.

What should I register for if I am interested in medicine, dentistry, veterinary medicine or an allied health field, such as physician’s assistant, nursing, pharmacy, etc.?

Consult the Pre-Health Professions website: college.wfu.edu/prehealth

What should I register for if I am interested in Pre-Business?

If there is availability, you may register for ECN 150 or MTH 111, but these do not need to be completed until the fall of your sophomore year.

What should I register for if I am interested in law school?

There are no specific requirements. You are encouraged to take courses that challenge you to think critically and creatively, and prepare you to read, write and communicate well. For more information, see college.wfu.edu/prelaw

Can I wait-list a class?

No, not for your first fall semester. It is important that you are registered in classes instead of being wait-listed for classes where seats may never become available. In future registration periods, wait-listing will be available to you.

What is the relevance of the Directed Self-Placement for my first writing course?

The Directed Self-Placement helps you to be better informed when making decisions about the writing course in which you should enroll first. Visit: go.wfu.edu/f101dsp

Why am I getting a prerequisite error when I try to register for a foreign language course?

The results of your Foreign Language Placement test will determine your placement for your first foreign language course. You must register for the course level indicated on your placement test or determined by your AP/IB score. If you are receiving AP/IB credit for a foreign language and still see this error, the Office of the University Registrar has not received your official AP/IB score. Please see p. 92 for more information on AP/IB score submission.
I know I will be receiving AP/IB or prior college credit, but this credit is not yet in the WFU system. Therefore, I am having difficulty registering for a higher-level class. What should I do?

Please contact the Office of the University Registrar at registrar@wfu.edu or 336.758.5207.

What do I do if classes that I need or want are closed?

We understand that it can be frustrating not to get your first-choice classes, but please do not get discouraged. It is not uncommon for first-year students to find that some classes are already full. Some closed classes might open up during the add/drop period, and if not, most classes will be offered again in the future. You have many classes to take, and thus many options, as a new student!

Are the 12 hours that I register for set in stone?

No. Although the professional advising staff will work hard to honor your selections from Round I, in some cases, your first 12 hours of registration might need to be adjusted. Our advisers work hard to make sure that you have a balanced schedule that fits your needs. In most cases, if we have to make a change in a Round I class, or if we believe a Round I choice was ill-advised, we will contact you.

Is it possible I might be registered for a course that I did not list on my CPS?

We try hard to prioritize the courses you list on your CPS. However, there are several reasons why you might find yourself with a course you did not list: 1) You listed a class that is not offered during the fall semester. Remember that the Undergraduate Bulletin lists all classes offered at WFU, so you need to check Fall 2017 course offerings in WIN to see which courses are being offered this fall; 2) You stated an interest in pre-health but did not list a course that is highly advised for that pre-professional track; 3) Sometimes there are irreconcilable time conflicts between classes, or classes might already be full.

In the event that we are unable to honor your stated preferences, we will register you for another course that meets a basic or divisional requirement (often within the same division as a course you requested) and that provides balance to the rest of your schedule. Remember, there is great value in exploring broadly within the liberal arts.
YOUR HAPPY BEGINNING AWAITS
During the summer, New Student Receptions will be held across the country so new parents and students can meet other new students and their families. At these receptions, you will also meet current Wake Forest students and staff, and have an opportunity to ask questions of the experts.

Receptions are typically held from early June through early August. You may attend the reception that is most convenient, whether it is in your hometown or elsewhere (preregistration is required in order to have an accurate count of attendees).

We email invitations to all students who live within a reasonable driving distance of a reception. However, you need not have received an email invitation to attend! Feel free to visit the New Student Receptions website and register to attend any reception you wish.

A list of New Student Receptions will be available in early June on the New Students website. Please check the website frequently throughout the summer for updated information, as new reception locations and dates are added. Dates and sites are subject to change, and registration may be closed at a reception if we reach maximum capacity. Visit: newstudents.wfu.edu/new-student-receptions
At Wake Forest, there is a long tradition of incoming students engaging in a common reading or academic project. Along with raising awareness of vital political, cultural or social issues, this gives students the opportunity to engage in intellectual dialogue on a topic of interest with their new peers and professors. In May, you will receive a list of the 2017 summer reading options, chosen because they can provoke reflection and discussion on what it means to explore difference and embrace diversity. You will have the opportunity to select one of these books to read over the summer, and then — once on campus — to participate in a discussion led by a Wake Forest faculty or staff member who has a special expertise or interest in the book’s topic.

LOCATION
Reynolda Hall 125

EXPLORING DIFFERENCE, EMBRACING DIVERSITY.
What’s even cooler than Orientation? Pre-Orientation, of course. You can start your Wake Forest experience early with one of our optional Pre-Orientation programs.

Make a few new friends out in the wild, get to know your new home through volunteer work with your new classmates, learn about Wake Forest history and traditions or climb a mountain for worship and reflection. The choice is yours, but don’t wait too long to sign up, as these tend to fill up fast.

You’ll arrive a few days early, and when the program concludes, you’ll join the rest of your classmates for New Deac Week.

Need-based scholarships are available. Contact the sponsoring offices for more details.

**IMPORTANT DATES**

**WILDERNESS TO WAKE**  
Application Deadline: June 9

**S.P.A.R.C.**  
Application Deadline: July 15

**WORLDWIDE WAKE**  
Application Deadline: July 15

**DEACON CAMP**  
Application Deadline: July 15

**B.U.I.L.D.**  
Application Deadline: July 15

**SUMMIT: CHRISTIAN CAMPUS MINISTRY**  
Application Deadline: August 1

**MARCHING BAND**  
Application Deadline: August 1

**MAZALWAKE**  
Application Deadline: August 1

**PRE-ORIENTATION DROP-OFF**

Move-In Day is Wednesday, August 23. If you participate in a Pre-Orientation program, you will arrive on campus several days earlier. Many families choose to send their students to campus with the bare necessities for Pre-Orientation, and then bring students’ remaining belongings on Move-In Day. This also enables parents to participate in all parent and family orientation activities.
S.P.A.R.C.
Cost: $325*
Application Deadline: July 15
When: August 19–22
Sponsored by: Pro Humanitate Institute
phi.wfu.edu/programs/sparc

Students Promoting Action and Responsibility in the Community (S.P.A.R.C.) is a service-oriented Pre-Orientation program organized by the Pro Humanitate Institute. Through S.P.A.R.C., you will meet with local community partners through service, learn about the issues impacting Winston-Salem and build relationships with fellow Demon Deacons.

You will be placed in a group of four students with an upperclass mentor. The mentors will lead you in service activities, answer any questions about Wake Forest University and get you even more excited to start your time here.

S.P.A.R.C. accepts students on a rolling basis. You will be notified of your acceptance status within 10 days of your application submission. Program details will be available in early August.

*PRICE SUBJECT TO CHANGE
Worldwide Wake

Cost: $325*
Application Deadline: July 15
When: August 19–22
Sponsored by: Global Programs and Studies
global.wfu.edu/iss/www

You’ve been admitted to Wake Forest, so we know you are smart. But when it comes to your cultural IQ, how do you make the grade? Join other globally minded students to enrich your cross-cultural awareness through a series of engaging discussions, small-group activities and fun social events each day.

You’ll be challenged to expand your intercultural curiosity, learn about the array of students and opportunities at Wake Forest, and get a head start on understanding the campus academic and social scenes with the help of student leaders. There will be time to settle into your residence hall and learn about your new home of Winston-Salem, as well as set your course to become a more effective global citizen as you begin your career as a Demon Deacon.

Worldwide Wake accepts students on a rolling basis with notification of acceptance sent within 10 days of an application being received.

*price subject to change
**Deacon Camp**

*An Insider’s Guide to Wake Forest*

Cost: $325*
Application Deadline: July 15
When: August 19–22
Sponsored by: Pro Humanitate Institute
go.wfu.edu/f101deaconcamp

First-year students participating in Deacon Camp will get a once-in-a-lifetime view of Wake Forest that many Demon Deacons may never have the opportunity to witness. This three-and-a-half-day introduction to the compelling story of our Mother So Dear takes students from the beloved Old Campus to downtown Winston-Salem, and even straight onto BB&T Field, where many Wake Forest sporting events take place. Participants in Deacon Camp will venture to places where few students will go, including President Hatch’s residence, Demon Deacon athletic venues and even the very top of Wait Chapel.

Through meeting dedicated upperclass leaders and classmates, the incoming students will begin to discover their new home and make their mark at Wake Forest University. There truly is no better way to begin one’s journey as a Demon Deacon than by developing a passion for the rich traditions of Wake Forest. Deacon Camp is designed and facilitated by student leaders from the Wake Forest Traditions Council and Pro Humanitate Institute staff. Each group of eight new students will have two upperclass students as their leaders. Deacon Camp accepts students on a rolling basis, with notification of acceptance sent within 10 days of an application being received. Specific program details will be available in early August.

*Price subject to change*
**B.U.I.L.D.**

**BUILDING UNIVERSITY INCLUSION & LEADERSHIP THROUGH DIVERSITY**

Cost: $325*

Application Deadline: July 15

When: August 19–22

Sponsored by: Pro Humanitate Institute, Campus Life

---

Building University Inclusion and Leadership through Diversity (B.U.I.L.D.) is a weeklong immersion program in Winston-Salem that introduces first-year students to concepts of social justice, intercultural communication and social change. Students will work in teams to learn about the various, vibrant cultural communities in Winston-Salem. With their upperclass mentors, incoming students will consider their role and responsibility as citizens in Winston-Salem, identify social justice themes and learn more about strategies for intercultural communication. Students will visit nonprofit organizations, museums and local agencies. Join the Pro Humanitate Institute staff and upperclass leaders for this fun, exciting introduction to life at Wake Forest.

B.U.I.L.D. accepts students on a rolling basis, with notification of acceptance sent within 10 days of an application being received. Specific program details will be available in early August. For questions, please contact Brad Shugoll at shugolbd@wfu.edu

*PRICE SUBJECT TO CHANGE*
Wilderness to Wake

Cost: $660*
Application Deadline: June 9
When: August 18–23
Sponsored by: Outdoor Pursuits
go.wfu.edu/f101wildtowake

Wilderness to Wake is the perfect way to jump straight into college life while forming strong friendships that will last far beyond the days of your trip. Whether your schedule includes backpacking, rock climbing, kayaking, canyoneering or all of the above, we guarantee that the Wilderness to Wake experience will be both challenging and rewarding. Each group of nine first-year students is led by a trained Outdoor Pursuits student leader through both the scenic regions surrounding Wake Forest and the adjustment to life as a college student, during the first semester and beyond. After five days of group bonding and peer mentorship in a wilderness setting, students return to campus with the confidence to dive headfirst into the opportunities Wake Forest has to offer.

*PRICE SUBJECT TO CHANGE

Acceptance notifications sent out: June 14
Final payment & supplemental paperwork due: June 30
SUMMIT: Christian Campus Ministry
pre-orientation retreat

Cost: $375*
Application Deadline: August 1
When: August 20–23
Sponsored by: Office of the Chaplain and Christian Campus Ministry
go.wfu.edu/f101summit

For over 60 years, the Office of the Chaplain and Christian Campus Ministry has offered Summit, a Pre-Orientation retreat that engages students through meaningful social and spiritual opportunities. In addition to team-building activities like small group discussions, canoeing, hiking, square dancing and a talent show, students will build significant and lasting friendships as they worship together atop the beautiful Blue Ridge Mountains.

This four-day retreat provides Christians of all worship backgrounds (Catholics, Orthodox, Episcopalians, Lutherans, Presbyterians, Methodists, Baptists and nondenominational) the intentional space for fellowship, prayer and joyful worshipping community, all while becoming acquainted with Wake Forest. The Summit Retreat is facilitated by chaplains, campus ministers, returning students and outstanding faculty, staff and administrators.

*Price subject to change

Camp Cheerio offers modern amenities, but still surrounds students in the splendor of the southern Appalachian Mountains. The four-day Summit Retreat begins and ends on campus. All food, housing, transportation, materials and activities are covered by the registration fee.

Students are accepted on a rolling basis, with notification of acceptance sent within 10 days of an application being received. Specific program details will be available in early August. So sign up, bring your adventurous spirit and joyful heart, and be prepared for a pre-college experience you’ll never forget.
Mazal Wake: The WFU Jewish Pre-Orientation

Cost: $180*
Application Deadline: August 1
When: August 20–22 (Sunday–Tuesday)
Sponsored by: WFU Office of Jewish Life (part of Chaplain’s Office) and Hillel

Mazal Wake, a fun three-day Pre-Orientation to college and Jewish life at WFU, is an opportunity to explore Jewish identity and to develop friendships that will last a lifetime.

Mazal Wake is designed and facilitated by Jewish/Hillel student leaders, faculty and staff as an interesting way to get to know your new Jewish community and its resources. Our schedule includes activities in secular and Jewish spaces on and off campus, from the WFU Hillel Lounge to local synagogues and eateries.

*Price subject to change

The Mazal Wake Pre-Orientation starts with your early move-in into your residence hall — the one you will inhabit for your first year of college — followed by a bagel brunch, of course, for you and your parents. Tuesday night ends with a debrief and reflections, although our journey together never really ends...
Getting excited about your arrival on campus? Your Wake Forest experience will start with New Deac Week on August 23. Our Orientation program is designed to help you with your transition into our Wake Forest family. You will become acquainted with campus; meet classmates, faculty and staff; and learn more about the beloved community you will soon be calling home.

The five days prior to the start of classes will be full of exciting academic and social events. You will have the opportunity to bond with members of your residence hall, learn about our rich history and traditions, connect with your adviser, cheer on our men’s soccer team, meet President Hatch and Provost Kersh, attend Convocation to officially celebrate joining our family and spend time with new friends on the Quad. Several Orientation events will occur during the Fall 2017 semester as well, to help you acculturate to the Wake Forest community as you gain experiences in and out of the classroom.

Take advantage of all of the events, have fun and make the most of your time during Orientation. It’s a great way to begin an enriching and rewarding journey as a Demon Deacon. We hope you are as excited as we are, and we look forward to seeing you on campus in August. newstudents.wfu.edu/orientation-programming

SOCIAL

@WFUORIENTATION
**Move-in curbside assistance**

Take a load off, and unload your belongings at the curb. Wake Forest student athletes and others will be available from 8 a.m. to 2 p.m. on Move-In Day to assist you.

**University Stores**

University Stores are composed of four separate retail locations and operations. The Bookstore is located on Hearn Plaza on the first floor of Taylor House, while the Deacon Shop is on the first floor of Kitchin House and Hanes Mall. The textbook store, located beneath the Bookstore in Taylor House, offers new, used, rental and selected digital textbooks for students with online ordering capability. wfuStores.com

**Move-in day sale**

The Bookstore will be set up on South Campus and will offer a number of items for residence hall rooms on Move-In Day, from 8 a.m. to 4 p.m. Look for the tent on Manchester Plaza, right across the street from first-year residence halls. Pick up those last-minute needs, including carpets, storage solutions, electronics and other room furnishings.

**Look for your orientation brochure**

It will contain a schedule of Orientation activities. Your copy will arrive in the mail in July. It will also be available on the New Students website.
We've got you surrounded like a big hug.
Whether you’re looking for a little help with your fundamentals, trying to secure the right tools for success or even hoping to fine-tune the areas in which you already excel, this Forest is overflowing with ways to supplement your classwork and hone your academic skills.

These resources exist to encourage you, challenge you and support you along the path that leads to the realization of your full potential. Seek them out early and often, as they can ensure your success in the classroom and enhance your intellectual growth across your entire Wake Forest journey — and beyond.

Office of Academic Advising

The Office of Academic Advising (OAA) strives to help students achieve their potential as whole persons. Toward this end, professional advisers provide caring and timely individual guidance, connect students with resources, help students form relationships within the Wake Forest community, promote personal responsibility and encourage an intentional personal journey. OAA assists students in choosing courses and making decisions, both inside and outside of the classroom, that reflect thoughtfulness, exploration, open-mindedness, creativity, appropriate risk-taking and willingness to learn from challenges. The OAA also monitors student progress, aiming to intervene as early and proactively as possible when problems arise.

OAA offers students the opportunity to meet with an academic counselor one-on-one while respecting privacy and confidentiality. Students are welcome to stop by Reynolda Hall 125 — Monday through Friday between 8:30 a.m. and 5 p.m. — to see a counselor, or make an appointment in advance by calling 336.758.3320. Visit: advising.wfu.edu
Math Center

The Math Center offers free peer tutoring for Wake Forest students enrolled in classes in the Department of Mathematics and Statistics. Assistance is available in one-on-one or group sessions. Students may reserve one appointment per day and two appointments per week by going to the Math Center website and following the link to the Math Center Appointment Planner, MathCAP. Students may also request recurring appointments for the semester, which will schedule the student to meet with the same tutor at the same time and same day each week. Students who do not have an appointment may drop by the Math Center, Manchester 364, to see when a tutor is available. Math Center hours and the link to the MathCAP are on our website at college.wfu.edu/mathcenter

Writing Center

The Writing Center offers students a relaxed and welcoming place to discuss writing and the writing process with trained peer tutors. The Writing Center is staffed by undergraduate and graduate students; these tutors ask questions to help students discover what they want to say — effectively. Because everyone writes differently, tutors tailor their assistance to meet each student’s needs. Students may make appointments online, by phone or by visiting the Writing Center in Z. Smith Reynolds Library 426. The center is open Monday through Friday, 10 a.m. to 5 p.m., and Sunday through Thursday, 7 to 9 p.m. college.wfu.edu/writingcenter

Office of the University Registrar

The Office of the University Registrar functions as an academic service office to the Wake Forest community, managing registration for classes, keeping the academic records for the University and overseeing the security and privacy of these records. The University Registrar will announce important academic dates and the details of academic procedures throughout the year. The office is located in Reynolda Hall 110.

For other academic services provided, visit: registrar.wfu.edu

The Learning Assistance Center and Disability Services (LAC-DS)

Provides academic counseling and peer tutoring. Academic counseling focuses on familiarizing the student with study, time management and organizational strategies that enable successful learning at the college level. A peer tutoring program offers students individual or group tutoring in many courses, including foreign languages. Peer tutors are available primarily for divisional classes. Find us in Reynolda Hall 117. The center is open Monday through Friday, 8:30 a.m. to 5 p.m. lac.wfu.edu

The University Counseling Center (UCC)

The University Counseling Center provides confidential individual and group-based counseling and psychotherapy for a broad range of personal and interpersonal issues. Individual assessment and counseling for concerns related to alcohol and other drug use is also available. The Counseling Center offers outreach programs and consultation to students, faculty and staff, as well as referrals for off-campus mental health providers. For mental health emergencies after 5 p.m., the counselor on call can be reached by calling Student Health Service at 336.758.5218.

All services are free to full-time Reynolda Campus undergraduate and graduate students. Contact with the UCC is confidential to the fullest extent provided by law. Appointments may be scheduled by telephone at 336.758.5273 or in person at Reynolda Hall 118. counselingcenter.wfu.edu
Z. Smith Reynolds Library, fondly referred to as ZSR, is the main library on campus and provides a host of services to help you succeed. Through the ZSR website, you can access millions of books, thousands of journals and DVDs, and hundreds of research databases. You can reserve our 10 group study rooms or request a personal research session with a subject specialist. The Reference Desk on the fourth floor of the Wilson Wing is your place to go to learn how to use the library and its resources. ZSR offers a 1.5-credit elective course (LIB 100) that teaches you how to find, evaluate and use information. In addition, it maintains a host of online research tools, including citation guides and subject guides, explained in detail online.

Our commitment to serve earned the Z. Smith Reynolds Library the 2011 ACRL Excellence in Academic Libraries Award.

ZSR is open 24 hours from Sunday through Thursday. On Fridays and Saturdays, the library closes at 7 p.m., but the two-story, 24-hour room right near the front entrance of ZSR across from Starbucks is always open.

Be on the lookout for some signature events sponsored by and hosted in ZSR that have become traditions at Wake Forest, including Humans vs. Zombies, Wake the Library and the Dean’s List Gala!
The Office of Information Systems is your one stop for all things computing. Wake Forest students enjoy a robust suite of software applications and full access to cloud-based tools while having the ability to choose their ideal computer. These tools will empower you to collaborate across the University and beyond. As a Wake Forest student, you can access many services, such as WFU Google G Suite for Education, WebEx, Sakai and WIN, using your DeacNetID (username) and password. Use of all Wake Forest technology resources is governed by the Policy on Responsible and Ethical Use of Computing Resources. Please take time to read this policy, found on is.wfu.edu, as you are accountable for adhering to it.
Technology support resources

Wake Forest provides extensive tech support services:

- Computing information, technology tips and Online Chat at is.wfu.edu
- Walk-in assistance from full-time professional consultants and student assistants at the Information Systems Service Desk, located on the main floor of the Z. Smith Reynolds Library. Phone assistance at 336.758.4357.

Action Items!

Instructions can be found at newstudents.wfu.edu/computing

MAY 1
WakeWare laptops available for purchase on the WakeWare website

JULY 1
Complete the Technology@WFU online course in Sakai

AUGUST 1
Enable Google 2-Step Verification for your WFU Google Mail account

The Computer

All undergraduate students at Wake Forest have the opportunity to purchase a laptop through WakeWare, the University’s academic technology program. WakeWare gives you the choice of specially selected Apple and Dell laptops at a negotiated price with extended insurance and warranties. WakeWare laptops are fully supported on campus without charge. WakeWare Dell or Apple laptops are designed to best support you through your years at Wake Forest. All students must have a laptop that meets established minimum requirements to support the academic software required. Information about the WakeWare program, including software, minimum configuration requirements and support limitations on non-WakeWare laptops, is available online at WakeWare.wfu.edu

Technology@WFU

All new students must complete the Technology@WFU course. This course will familiarize you with computing at Wake Forest and will cover topics ranging from using the campus network to using personal technology on campus. It will also introduce you to Sakai, the course-management system used by faculty. You must complete the course before July 1 in order to facilitate Round I of course registration.

Software@WFU

Software@WFU offers a variety of academic software available at no cost for all Wake Forest students, faculty and staff, including Microsoft Office, Adobe Creative Cloud and more. Students should visit software.wfu.edu to download all needed academic software before the first day of class.
The Forest is intentionally small so that the individuals who are drawn here will never be lost in a crowd or see themselves as anything less than a vital part of a true community. Wake Forest takes education personally. That means providing all possible means of supporting students in what can be an exhilarating yet stressful time in a young person’s life.

We are committed to providing a vast network of support services and centers designed both to guide our students throughout their time at Wake Forest and provide outlets of individuality and commonality within a diverse environment rich in perspective, inclusion and open dialogue.

**CENTER FOR GLOBAL PROGRAMS AND STUDIES**
Reynolda Hall 116  
Website: global.wfu.edu  
Phone: 336.758.5938
The LGBTQ Center is committed to fostering a safe, equitable and inclusive experience for all. The Center provides education, advocacy and support to the entire campus community around gender identity and sexual orientation. The LGBTQ Center offers regular events, office hours and discussion groups. See our website or stop by Benson 311 to learn more. If you are an incoming student with questions or concerns about housing, resources or any other aspect of the student experience, please contact Dr. Angela Mazaris, LGBTQ Center director, at mazarise@wfu.edu. Learn more at lgbtq.wfu.edu.

The Intercultural Center

The Intercultural Center (IC) is committed to enhancing the experience of domestic and international underrepresented groups by offering co-curricular programming, advising and advocacy that enhance intercultural knowledge, competency and leadership. By promoting a welcoming environment, we strive to uphold the Wake Forest mission of Pro Humanitate. Throughout the year, the IC engages students through our Identity Development Initiatives, Student Support & Engagement and our intercultural, educational and social programs. Annual events include First Fridays, World Cultural Festival, Journeys to Success Lecture Series, Friday Morning Breakfast and the Dr. Martin Luther King, Jr. Celebration. Come visit us in Benson 346 or learn more at interculturalcenter.wfu.edu.

The Women’s Center

The Women’s Center strives to create an educational and professional environment that supports women and promotes gender equity. Our initiatives encourage students to explore gender as a critical component of their identities and experiences, from their interpersonal relationships to their postgraduate aspirations. We offer a range of opportunities, including discussion hours, workshops and enhanced student-faculty interactions. Some of our programs are designed as women-only spaces, but most of our initiatives are open to all members of our campus community. Come to the Women’s Center in Benson 314 to learn more or to make new connections at Wake Forest.

Center for Global Programs and Studies (GPS)

At Wake Forest University, global learning experiences are an integral part of your education. Wake Forest has made global study and understanding a priority. As such, the Center for Global Programs and Studies is your on-campus resource to ensure that you incorporate international opportunities into your academic experience. We offer more than 30 Wake Forest–administered study abroad programs and can provide information on our many affiliate program offerings. Our office supports all international students and scholars participating in programs at Wake Forest University. We strive to leverage our abroad, campus and outreach efforts to enhance our global campus community. Our goal is to provide the resources and support for all of our students, staff and faculty to succeed as global citizens while creating a stronger global culture and perspective as a university. Visit us in Reynolda Hall 116, or online at global.wfu.edu.
The Office of Sustainability provides students with the support to transform their interest in sustainability into passionate leadership. Whether we can encourage you to change a few light bulbs or inspire you to become a change agent for sustainability, there is a place and a way for you to get involved.
Stop by Reynolda Hall 101 to learn about ways to get involved in campus sustainability.

**Move in / Move out**
Stop by our tent to pick up your personal recycling tote on Move-In Day. It’s yours to keep for all four years.

**Campus garden**
Volunteer in the Campus Garden, located at the corner of Polo Road and Student Drive.

**Choose to reuse**
Fill up your reusable water bottle at any of more than 100 bottle-refilling stations across campus, and pick up your reusable to-go container at the Pit.

**Lead the way**
Train to become a Sustainability Ambassador or Greeks Go Green certified peer-to-peer educator.
The Office of Personal and Career Development (OPCD) is here to help you navigate the college-to-career process and get started on the right track from your first days on campus. Many resources are available, including career coaching, self-assessment tools, workshops, online resources, opportunities to meet and interview with all types of employers, and much more.

In conjunction with the Department of Counseling, the OPCD offers Career Courses in which you can learn what you need to know about the entire career-exploration process. Numerous programs and resources are also available to help you learn about mentoring, leadership, professional development and innovation, creativity and entrepreneurship.

Check out our website, or visit our state-of-the-art office in Reynolda Hall 230, Monday through Friday, 8:30 a.m. to 5 p.m., to find out more and to get a review of your resume, cover letters and LinkedIn profile. It’s never too early to start!

opcd.wfu.edu
Adventure is a necessary part of career planning. The office of personal and career development encourages you to explore — travel to new geographies, experiment with career paths, make mistakes, volunteer and intern, and build professional relationships. What do you gain from these experiences? You gain clarity around what the right career path is for you and valuable connections to help you get there. To get started, you need Handshake.

Complete your Handshake profile before August 18 to ensure access to internship and job opportunities for Wake Forest students and personal and career development resources.
