Planning Context
Planning Context

Wake Forest is a student-centered Collegiate University.

- Dynamic institution – new programs, changing needs of pedagogy and scholarship
- Current conditions do not adequately support existing programs
- Flexibility to accommodate future opportunities
Planning Context

• Clarify Campus Circulation
  - Entry/Arrival Sequence
  - Daily Circulation
  - Connections to Reynolda Village and Deacon Blvd

• Campus Open Space Network
  - Linked quadrangles
  - Forested perimeter

• Implementation of Transportation Management Program
  - Parking
  - Alternate Modes: pedestrian, bicycle
  - Transit and Shuttle

• Physical Limits to South Campus Development
  - Existing Development
  - Topography
  - Near Neighbors
Planning Principles

- Support Mission and Enhance Community
- Foster Connections
- Create an Inspirational Environment
- Respect Natural and Historic Beauty

Plan Goals

- Extend core “feeling”
- Expand pedestrian network
- Create a variety of open spaces
- Enhance campus ecology
- Connect to Deacon Blvd and Reynolda Village
