Other messages you may receive when making a request to change a grade:

- (If student has already graduated, the grade cannot be changed.)

- (Grade changes have a 60-day deadline. If you request to change a grade after 60 days, you will receive this message. The WIN application, however, will still send the request to the evaluator (Dean). It is then the evaluators’ or committees’ decision to approve/deny a request.)

- (You will receive this message if you are trying to change a grade to the same grade that was originally reported. Please select another grade from the drop down menu.)
