

Financial Aid Application - Summer 2017

Summer financial aid at Wake Forest consists of federal aid, private education loans, and limited institutional aid programs. Applicants for federal and institutional aid must be degree-seeking Wake Forest students. Visiting students cannot receive federal and institutional aid. Summer enrollment does not relieve students of Wake Forest's minimum student summer earnings expectation for the following academic year. A student who begins attendance in all classes during a compressed period of enrollment (summer term) is paid aid based on the enrollment status at the time of disbursement, even if his or her enrollment status changes subsequently. A student who withdraws from all courses is subject to the return of aid funds.

Federal aid applicants must provide valid results from a 2016-2017 Free Application for Federal Student Aid (FAFSA) to the Office of Student Financial Aid by **April 18, 2017**. Federal aid is limited to remaining academic year eligibility (if any) for Pell Grants, Federal Direct Loans, and PLUS Loans. Federal aid applicants must meet satisfactory academic progress requirements and are subject to the return of aid funds upon withdrawal; copies of these policies are listed annually in the Undergraduate Bulletin and are available at www.wfu.edu and upon request from the Office of Student Financial Aid.

Applicants for Federal Direct and PLUS loans must enroll in at least six hours during the summer.

Student private education loans and Federal PLUS loans *must be pre-approved by the lender before certification by Wake Forest*. To facilitate timely disbursement, WFU must receive pre-approval notice by **April 11**.
