The default **Home Page** is the starting point for shopping.

Click the **Advanced Search** link to access the mode (see below).

Shop by Supplier, Category, Contract, or use the Chemical Structure search with these links.

As you search & add items to your cart, your cart summary will keep a running total of your items

Search Tips:

- ✓ Start with Simple Search
- ✓ Select a product category for more relevant results
- ✓ Use phrases for more focused results
- ✓ Use Advanced Search to search for items with distinct attributes
- ✓ Avoid using abbreviations or acronyms
- ✓ Check your spelling
- ✓ Avoid using common terms (paper, tube, etc) unless they are part of a phrase.

Use **Advanced Search** to enter more specific search criteria to either include or exclude.

This link returns you to **Simple Search**.
