A Message From the Dean of Undergraduate Admissions:

I am pleased that you are considering applying to my alma mater, Wake Forest University. It is a vibrant and welcoming place of ideas and discussion. Through this application, we seek information which will help both you and our Admissions Committee determine if indeed Wake Forest is the place best suited for you to spend your undergraduate years. I hope you will enjoy completing our application and providing us with insight into your thoughts and accomplishments.

On the facing page you will find detailed information about our application process for your reference and convenience. If questions or concerns arise at any point during your application process, please contact the admissions office at 336.758.5201 or e-mail us at admissions@wfu.edu. We will be happy to assist you.

Our application requires an official transcript from your high school as well as a Secondary School Report form which should be completed by your college counselor. If you attend a high school which does not issue an official class rank, it will be necessary for your counselor to submit ranking information to the nearest decile or quintile. The Teacher Recommendation Form should be completed by a teacher in an academic subject and should be submitted directly to the admissions office. Official SAT, ACT or other standardized test scores must be submitted directly from the testing center if you wish them to be considered in the admissions process. If you prefer that your application be considered without test scores, please indicate this on your admissions application.

Wake Forest is committed to making enrollment possible to all admitted students regardless of their economic circumstances. If you have not done so already, please take a few moments to peruse our financial aid website at wfu.edu/financial_aid.

In addition to our extensive need-based financial aid program, Wake Forest offers a small number of merit-based scholarships for those students with extraordinary achievements. Most merit-based scholarships are awarded based on the admissions application. While international students must complete a Confidential Financial Information Form (form can be found at wfu.edu/apply) and are not eligible for need-based financial aid, they will be considered for merit-based scholarships. Students who wish to be considered for merit-based scholarships must have all required admissions materials filed prior to December 1. Additional information concerning scholarships is available through the Wake Forest website.

If Wake Forest is your college of choice, we welcome you to apply under one of our two binding Early Decision programs. Early Decision candidates may apply any time after completing the junior year but no later than November 15, and are notified on a rolling basis. The Early Decision II deadline is January 1 and candidates will receive an admissions decision on February 15. Please be mindful that both Early Decision plans are binding and if you are admitted, you will be expected to withdraw other active admissions applications and enroll at Wake Forest in the fall of 2018. If your enrollment decision is dependent on either need or merit-based financial assistance, I encourage you to thoroughly review the Wake Forest financial aid website prior to submission.

The deadline for Regular Decision application is January 1 with notification by April 1. Transfer applicants are notified in May.

I hope that a part of your consideration of Wake Forest will include a visit to our beautiful campus. We encourage you to tour the facilities and explore the campus community through scheduled information sessions, campus tours and interviews. If you have not done so, please contact the admissions office to arrange a visit.

We look forward to reviewing your application!

Best wishes,

Martha Blevins Allman ('82, MBA '92)
Dean of Undergraduate Admissions
Application Form

November 15 is the application deadline for Early Decision. Early Decision II and Regular Decision for the fall term are due by January 1. The deadline for spring term is November 1. Please file your application earlier, if possible.

Wake Forest also accepts the Common Application and the Coalition Application. Wake Forest specific questions are required to complete each of these applications. These questions can be completed online as part of the submission process.

A nonrefundable application fee of $65 must accompany the application. Please make checks payable to Wake Forest University. You MUST sign the application.

Any materials submitted as part of the admissions application (DVDs, CDs, etc.) become property of the University and will not be returned.

Early Decision Plans

Early Decision plans are for incoming first-year students who have selected Wake Forest as their first-choice school and only active Early Decision application. Early Decision candidates may apply any time after completing the junior year but no later than November 15, and are notified on a rolling basis. The Early Decision II deadline is January 1 and candidates are notified on February 15. Both Early Decision plans are binding. Students agree, if admitted, to withdraw all other active admissions applications and enroll at Wake Forest for fall 2018 by submitting a nonrefundable $500 deposit within two weeks of acceptance. If your enrollment decision will be dependent on need or merit-based financial assistance, we recommend a thorough review of the Wake Forest financial aid website prior to application submission.

Secondary School Report

Recommendations

School counselors are asked to submit a written evaluation along with the Secondary School Report. Wake Forest also requires an additional Teacher Recommendation Form. This should be completed by a teacher who has been your instructor in an academic subject, preferably from junior year. The writer should send the form directly to the Office of Undergraduate Admissions.

Standardized Tests

Wake Forest values individual academic achievement, initiative, talent and character above standardized testing. Therefore, submission of standardized test scores is optional for admission. If scores are submitted, they will be treated as supplemental information through the evaluation process.

Students who have taken but not submitted SAT or ACT scores will be required to do so upon enrollment. Scores will not be used for placement.

If submitting scores for consideration, score reports must be sent directly from the testing centers. To request that scores be sent, contact:

SAT
collegeboard.com
609.771.7600
Wake Forest CEEB: 5885

ACT
act.org
319.337.1270
Wake Forest code: 3168

Other standardized test scores, such as SAT Subject Tests and AP Tests, are welcomed and will be treated as supplemental information.

Interviews

We strongly encourage all applicants to schedule a personal interview. On-campus and web-cam interviews are available by appointment only beginning June 1. It is advisable to arrange your interview well in advance.

Notification, Reply and Deposit Dates

Early Decision candidates will be notified on a rolling basis. A nonrefundable $500 tuition deposit is required within 2 weeks of acceptance notification for Early Decision candidates.

Early Decision II candidates will be notified by February 15. A nonrefundable $500 tuition deposit is required within 2 weeks of acceptance notification for Early Decision II candidates.

Regular Decision candidates are notified no later than April 1. A nonrefundable $500 tuition deposit is required by May 1 for Regular Decision candidates.
Transfers

The number of transfer students varies from semester to semester depending on the current enrollment. No merit-based scholarships are available for transfer students but applicants are encouraged to apply for need-based aid. If you are applying to transfer to Wake Forest University, please send the following items:

1. Application and $65 fee
2. All official post-secondary transcripts
3. Transfer college report from each college you have attended (form can be photocopied)
4. Final official high school transcript
5. Submission of standardized test scores is optional
6. Essay stating why you desire to transfer to Wake Forest

Transfer to Wake Forest

Applications for the fall semester will be reviewed beginning on April 1. Applications for the spring semester will be reviewed beginning on November 1. Students are encouraged to submit the application prior to these dates. Applications are often accepted after these dates, however. For more information on whether transfer applications are still being accepted once these dates have passed, please contact the admissions office.

Need, Merit and Talent-Based Aid

The CSS PROFILE and the Free Application for Federal Student Aid (FAFSA) are required of need-based financial aid applicants. The PROFILE and the FAFSA should be filed no later than November 15 for Early Decision applicants and no later than January 1 for Early Decision II and Regular Decision applicants.

Most merit-based scholarships will be awarded based on the admissions application. Students who wish to be considered for merit-based scholarships must submit all required application materials prior to December 1. Please visit wfu.edu and click on “Admissions” then “Merit-Based Scholarships” for more information.

International Students

An applicant who is not a United States citizen or permanent resident must apply as an International Applicant. International Applicants fill out the same application, but are required to submit 2 pieces of additional information: the Confidential Financial Information for International Applicants Form and evidence of English language proficiency.

Because International Applicants are not eligible for need-based financial aid, Wake Forest requires documentation that the applicant can meet all the expenses of earning a Wake Forest degree. Therefore, International Applicants must submit a completed copy of the Confidential Financial Information for International Applicants Form. This form can be downloaded and printed from the “International Applicants” page at admissions.wfu.edu/apply/international.php. This form is required, and the application will not be evaluated until it has been received. Other personal financial documents, such as bank statements, letters, or affidavits, are welcome but will not be accepted as substitutes for this form. Though not eligible for need-based financial aid, International Applicants are eligible for most merit-based scholarships.

All International Applicants whose first language is not English are required to submit an official TOEFL or IELTS score directly from the testing center.

Since all communication from our office will be by e-mail, please make sure the address given in the application form is accurate and checked often.

We have a critical mass of students here who are motivated to learn and to serve others. Our community attracts students who seek a collegiate experience in which they are challenged intellectually, and at the same time, have the encouragement and the opportunity to give back.”
