

## Sophomore Students

### Vehicle Registration Information

Any student who wishes to park a vehicle on a university parking lot any time of day or night--including after 4:00 p.m. weekdays, on weekends, during regular business hours of 8:00 a.m. – 4:00 p.m. weekdays, and during breaks--must register that vehicle with Transportation and Parking Services.

**Sophomore student vehicle registration will begin July 25, 2017 at 9:00 a.m.** Go online at <http://parking.wfu.edu/> to register your vehicle. This website is also a great place to find information about parking during certain events like Thanksgiving, Winter Break or Spring Break.

### 2017/2018 Sophomore Parking Permit Options:

  - Overflow permits are not sold on-line and you must visit Transportation and Parking Services to purchase this permit.
  - Occasionally, overflow sophomore vehicles will need to be relocated to allow for event parking at Bridger Field House. When these events occur, students will be notified in advance via email. A few of these events are:
    - Home football games
    - The Dixie Classic Fair
    - Davis Cup Tennis Tournament
    - Other Miscellaneous athletic events, as announced

### Waitlist:

- Should sophomore permits sell out, there is an option to sign up on a waitlist for this permit. If space becomes available, additional permits may be offered to those on the waitlist, if your waitlist number is chosen.
- Signing up on the waitlist does not guarantee receiving a sophomore parking permit. If sophomore permits are sold out, you can purchase a UCC/freshman lot permit from Transportation and Parking Services. This permit allows you to park at the UCC lot 8:00 a.m.- 4:00 p.m. and on-campus in “general” and non-reserved lots/spaces from 4:00 p.m. – 8:00 a.m., Monday-Friday and all day on weekends. Parking on WFU property without displaying a valid permit (day or night) can result in citations.

### Theme Housing

- Students parking at Theme houses must register their vehicles to park at these locations. Students living in theme housing must also obtain a supplemental sticker to park in the theme house parking lots. You must visit Transportation and Parking Services to get this authorization.
- Sophomore students will only be issued permits based on their student classification and do not have an option for on-campus parking.
- Sophomore permits are authorized to park on-campus 4:00 p.m. -8:00 a.m. weekdays and all day on weekends. Parking is authorized in general lots and spaces/lots that are not reserved.

### Special Notes:

- Students that purchase a permit and will be going abroad in the spring must return the permit by December 21 at 4:30 pm to receive a partial refund (1/2 the purchase price).
- Students going abroad in the fall do not need to purchase a permit until January 2018.
- Permits purchased in August are valid for the entire academic year. If a student’s classification changes mid-year from sophomore to junior due to credits earned, permits are not exchanged.
