

# BIOMEDICAL SCIENCE, PRE-MEDICAL MASTER OF SCIENCE

**WAKE FOREST**  
UNIVERSITY

GRADUATE SCHOOL of  
ARTS & SCIENCES

## PREMEDICAL POSTBACC SPECIALIZATION

What is the **PRE-MEDICAL POST-BACCALAUREATE** specialization of the Biomedical Sciences Program?

The Pre-medical Post-baccalaureate specialization is designed for applicants who have already completed medical school prerequisites, earned a baccalaureate degree, and wish to enhance their current science knowledge with graduate level course work and MCAT preparation to increase their competitiveness for health professional school admissions or other medical science career.

**APPLY NOW** at <http://graduate.wfu.edu/admissions/>.
