We know the most important thing to you is recruiting the best talent. At Wake Forest University, students don’t just look for a job. They seek to make an immediate and meaningful impact for the organizations they serve.

Likewise, our Employer Relations staff doesn’t just see you as a potential employer of Wake Forest talent. We see an opportunity to help our students “do good,” for themselves, for you, and for the world.

---

**CAREER FAIRS**

Each year Wake Forest holds two career fairs where all students are invited to participate.

**Fall Career Fair:** Registration Closed

**Spring Career Fair:** Jan. 24, 2018
(Registration is currently open)
