WAKE FOREST UNIVERSITY
SCHOOL OF MEDICINE
WAIT CHAPEL
4:15 P.M. SUNDAY, MAY 15

PHYSICIAN'S OATH

*Now being admitted to the profession of medicine,
I solemnly pledge to consecrate my life to the service of humanity.*

I will give respect and gratitude to my deserving teachers.

I will practice medicine with conscience and dignity.

The health and life of my patients will be my first consideration.

I will hold in confidence all that my patient confides in me.

I will maintain the honor and the noble traditions of the medical profession.

My colleagues will be as my family.

I will allow no considerations to intervene between my duty and my patient.

I will maintain the utmost respect for human life.

I will, under all circumstances, use my knowledge in the service of humanity.

These promises I make freely and upon my honor.

Hooping Ceremony

WAIT CHAPEL

4:15 P.M.

SUNDAY, MAY 15

PRELUDE *Little Prelude and Fugue in B-flat Major* (Johann Sebastian Bach)
Choral Song and Fugue in C Major (Samuel Sebastian Wesley)

MEDICAL ALUMNI ASSOCIATION AND WELCOME RECEPTION

The Wake Forest School of Medicine Medical Alumni Association (MAA), founded in the 1940s and led by its first president, Louten R. Hedgpeth, MD '31, has a membership of more than 11,000 physicians who are graduates of the medical school or former residents (house staff) at Wake Forest Baptist Medical Center. New graduates are automatically added as members upon graduation, and the addition of the MD Class of 2016 will bring the total membership of MD graduates to more than 5,000.

The association is guided by the MAA Board, an advisory group of elected members and additional appointees from among the alumni, current house staff, MD student body and faculty. The board works with staff from the Office of Development and Alumni Affairs and school administration to develop beneficial programs and enhance communication among all members of the School of Medicine family.

Regional events are held annually, hosted by area alumni and parents. These gatherings around the country provide opportunities for alumni, students and parents to interact with each other as well as with medical school faculty and staff. Graduates are encouraged to notify the alumni office (alumni@wakehealth.edu or 800-899-7128) with updated contact information. All alumni who have shared updated email addresses with the alumni office will receive invitations to all regional events and Alumni Weekend.

Graduates and their guests are invited to the MAA Welcome Reception on Monday, May 16, in the Benson Center, Room 401, at Wake Forest University immediately following the university commencement ceremony for a reception hosted by the MAA Board and Past Presidents.

The MAA is honored to welcome the MD Class of 2016 to the alumni family and will proudly present the graduates with a personalized welcome gift in addition to the notebook portfolios that were provided to the class by the MAA for use in their residency interviews.

dchamber@wakehealth.edu

Candidates for and holders of master's and doctor's degrees wear hoods over their robes. The hood symbolizes a heavy burden. The hood identifies the level of the degree, the field of learning, and the institution which awards it. The color of the trim declares the major field of learning; forest green represents medicine. The colors that line the hood identify the university awarding the degree.
