**DISCLAIMER** The information contained in this summary should in no way be construed as a promise or guarantee of employment or benefits. The University reserves the right to modify, amend, suspend, or terminate any plan at any time for any reason. If there is a conflict between the information in this Guidebook and the actual plan documents or policies, the documents or policies will always govern. Complete details about the benefits may be obtained by reviewing current plan descriptions, contracts, certificates, policies, and plan documents available from Wake Forest University Human Resources.

This document is an outline of the coverage proposed by the carrier(s), based on information provided by your organization. It does not include all of the terms, coverage, exclusions, limitations, and conditions of the actual contract language. The policies and contracts themselves must be read for those details. Policy forms for your reference will be made available upon request.

The intent of this document is to provide you with general information regarding the status of, and/or potential concerns related to, your current employee benefits environment. It does not necessarily fully address all of your specific issues. It should not be construed as, nor is it intended to provide, legal advice. Questions regarding specific issues should be addressed by your general counsel or an attorney who specializes in this practice area.

**AVAILABILITY OF SUMMARY HEALTH INFORMATION**

As a faculty or staff member, the health benefits available to you represent a significant component of your compensation package. They also provide important protection for you and your family in the case of illness or injury.

Your plan offers a series of health coverage options. Choosing a health coverage option is an important decision. To help you make an informed choice, your plan makes available a Summary of Benefits and Coverage (SBC), which summarizes important information about any health coverage option in a standard format, to help you compare across options.

The SBC is available on the web at hr.wfu.edu. A paper copy is also available by contacting Human Resources.

**MEDICARE PART D – PRESCRIPTION DRUG INFORMATION:**

If you (and/or your dependents) have Medicare or will become eligible for Medicare in the next 12 months, a Federal law gives you more choices about your prescription drug coverage. Please see pages 40-41 for more details.

Dependent Requirements

- Spouse: Faculty or staff's lawful spouse.
- Child(ren) up to age 26: Faculty or staff's child(ren) up to age 26, regardless of student status, marital status, and tax dependency.
- Child(ren) with a mental or physical disability: Faculty or staff's child(ren) with a mental or physical disability, as defined by the medical, dental, and vision plans, regardless of age. A dependent child who is either mentally or physically disabled and incapable of self-support may continue to be covered under the Plans regardless of age if the condition exists and coverage is in effect when the child reaches age 26. The disability must be medically certified by the child's doctor and may be verified annually by the Plans.

AFFORDABLE CARE ACT ACA) ELIGIBILITY
If you are a part-time faculty or staff member, a temporary staff member, student or retiree, and you have met the ACA definition of full-time employment, you may make elections/changes to your medical plan and/or dependent(s) during Annual Benefits Enrollment. Visit the Human Resources website for information about the hours requirement.

DEPENDENT ELIGIBILITY VERIFICATION
You will need to submit dependent verification documentation if you are adding a spouse and/or dependent child(ren) to your medical, dental, and/or vision plan(s) and have not previously submitted documentation. Wake Forest University reserves the right to engage an external audit firm to review dependent eligibility.
The majority of your benefits may only be elected/changed during Annual Benefits Enrollment or if a qualifying event occurs. Other offerings may be elected/changed throughout the year.

**ANNUAL BENEFITS ENROLLMENT**
You have the opportunity to review your elections and make changes for the coming plan year during Annual Benefits Enrollment each Spring. Ensure that you submit an enrollment form by the deadline, along with verification documents for dependents you are adding.

**QUALIFYING EVENTS**
Outside Annual Benefits Enrollment, you may only make changes to certain elections if you have a qualifying event. Generally, your changes will become effective on the date of your qualifying event (date of birth, marriage, etc.). You have 30 days from the date of the qualifying event to submit an enrollment form and documentation; otherwise, you must wait until the next Annual Benefits Enrollment period to make changes. Qualifying events include:

- Marriage
- Divorce, legal separation, or annulment
- Gain or loss of an eligible dependent for reasons such as birth, adoption, placement for adoption, or death
- Dependent satisfies or no longer satisfies eligibility requirements for reasons such as reaching the dependent age limit
- Change in spouse's employment affecting benefits eligibility
- Change in spouse's benefits coverage with another employer affecting benefits eligibility
- Change in faculty or staff work status
- Eligibility for enrollment in Medicare/Medicaid or Children's Health Insurance Plan (CHIP)
- Change in residence (applies only to Dependent Care Flexible Spending Account)

**THROUGHOUT-THE-YEAR CHANGES**
Wake Forest offers the following benefit plans that may be elected, changed, or canceled throughout the year:

- Voluntary life insurance
- Voluntary dependent life insurance
- Long-term care insurance
- NC 529 College Savings Plan
- Retirement plan

New enrollments or increases to life insurance coverage amounts may require a medical history application.
WELLBEING INCENTIVE
Effective July 1, a $100 incentive will be offered through a partnership with Wake Forest Baptist Health. Additional information will be available on hr.wfu.edu as the new wellbeing program begins.

MEDICAL
Plan through BlueCross BlueShield of North Carolina

ELIGIBILITY: Full-time faculty and staff, spouses, dependent child(ren), ACA eligible individuals and their dependents.*

*See page 06 for full eligibility requirements.

Wake Forest University offers two medical plan options to meet the diverse needs of eligible faculty, staff, and dependents:

- Low Plan: lower premiums, with a larger deductible and out-of-pocket maximum.
- High Plan: higher premiums, with a lower deductible and out-of-pocket maximum.

Both plans offer:

- BlueCross BlueShield of North Carolina (BCBSNC) medical coverage
- OptumRx prescription drug coverage (see pages 12-13)
- Carolina Behavioral Health Alliance (CBHA) behavioral health coverage (see page 14)

Effective July 1, 2017, the plans will move from the BlueCross BlueShield (BCBS) Blue Options to the BCBS Blue Value network for North Carolina providers. The Blue Value Network is a narrower network to drive utilization to high-quality providers offering deeper discounts. Services outside North Carolina will continue to be provided through the BCBS Blue Options PPO network.

NETWORK INFORMATION

IN-NETWORK HOSPITALS include North Carolina Baptist Hospital, Novant Health Forsyth Medical Center, High Point Regional Hospital, Davie County, Lexington Memorial, Northern Hospital of Surry County, Moses H. Cone Memorial, Wesley Long Community Hospital, Alamance Regional Medical Center, Davis Regional Medical Center, Carolinas Medical Center, and Hugh Chatham.

OUT-OF-NETWORK HOSPITALS include Duke, and Pioneer Community.

This is not an exhaustive list. Verify if a provider is in-network by following these steps:

1. Access the BCBS website.
2. Click Find a Doctor (top right screen; do not log into your account*).
3. Click Individuals, Families & Groups.
4. Go to “Choose a plan to search,” select Blue Value in the drop-down box, and click Search.
5. Click Find a Doctor or Facility, and follow the prompts to narrow your search.

*If you log in before July 1, 2017, you will only see the Blue Options Network.

Members may still utilize out of network providers; however the out of network charges will apply (deductible, copayments, coinsurance, and out of pocket maximums).

PLAN YEAR
The plans run on a fiscal year (July 1 - June 30), but the out of pocket maximum, deductible, coinsurance, and plan benefits run on a calendar year (January 1 - December 31). The amount you have paid toward your out of pocket maximum and deductible resets to zero every January 1, and you must meet your deductible before the Plan will pay for certain covered services.

The Affordable Care Act (ACA) requires office copayments (office, urgent care, and emergency room visits) and prescription copayments to be applied to the out of pocket maximum. This excludes mental health/ substance abuse out of pocket expenses.
HEALTH ADVOCACY SERVICES
Medical plan participants may take advantage of Health Advocacy Services to resolve health care, health insurance, or medical bill challenges. See page 36.

SPOUSAL SURCHARGE
A spousal surcharge will apply if your spouse has access to medical coverage through an outside employer but enrolls in the Wake Forest plan. The cost is $75 per month for exempt faculty and staff, or $34.62 per pay cycle for biweekly staff.

The surcharge will be waived if your spouse:
• Is not eligible as an employee for medical coverage through another employer,
• Works for an employer that does not offer medical benefits,
• Does not work,
• Is self-employed, or
• Is employed at Wake Forest University

The surcharge will apply if your spouse:
• Is eligible for medical coverage through another employer, but is covered on the Wake Forest medical plan, or
• Is eligible and enrolled for medical coverage through another employer, and is covered on the Wake Forest medical plan.

AUTISM BENEFITS
Effective July 1, 2017, the Autism benefits have been expanded to include Adaptive Behavioral Treatment (ABT) with an annual maximum of $40,000 per member per year. ABT is covered under the medical plan, and will be administered through Carolina Behavioral Health Alliance.

BCBS MEMBER SERVICES
BlueConnect is BCBSNC's personalized member services home page. Providing an interactive way to manage your medical plan and your health.

To register:
• Select “Register Now” under the Members section.
• Enter your BCBSNC member ID number.
• Answer the questions on the screen and set up a username and password.

Signing up for BlueConnect will enable you to:
• See how the Plan will cover a particular service.
• Review an explanation of benefits to understand what the Plan paid and what is your responsibility.
• Understand out-of-pocket expenses and see how much has been applied toward the annual deductible and coinsurance.
• Request a new ID card.
• Estimate health care costs through HealthNAV.
• Read information on the BlueCard Worldwide program that can be used when traveling outside the United States.
• Participate in many online wellness programs, including Getting Active, Healthy Thinking, Healthy Weight, Quitting Smoking, Sleeping Well, and Dealing with Lower Back Pain.
• Talk to a Nurse 24/7 through HealthLine Blue.
• Stay informed while on the go with mobile offerings.
• Enjoy rewards and discounts.

*The information above is intended as a benefit summary only. It does not include all of the benefit provisions, limitations, and qualifications. If this information conflicts in any way with the contract, the contract will prevail. “Balance Billing” For Out-Of-Network Providers: The amount the Plan pays for covered services provided by non-network providers is based on a maximum allowable amount for the specific service rendered. Although the Plan stipulates an out-of-pocket maximum for out-of-network services, please note the maximum allowed amount for an eligible procedure may not equal the amount charged by your out-of-network provider. Your out-of-network provider may bill you for the difference between the amount charged and the maximum allowed amount. This is called balance billing, and the amount billed to you may be substantial. The out-of-pocket maximum outlined in your policy will not include amounts in excess of the allowable charge and other non-covered expenses as defined by your plan. The maximum reimbursable amount for non-network providers may be based on a number of schedules such as a percentage of reasonable and customary charges or a percentage of Medicare. The plan document or carrier’s master policy is the controlling document, and this Benefit Highlight does not include all of the terms, coverage, exclusions, limitations, and conditions of the actual plan language. Contact your claims payer or insurer for more information.*

*The premiums above are effective July 1, 2017. The Employee Only Low Plan meets minimum value and affordability according to the Affordable Care Act (ACA) standards. ACA-eligible individuals have access to medical plan coverage at full-time premiums at Wake Forest University and Reynolda House.
PRESCRIPTION
Drug Plan through OptumRx

ELIGIBILITY: Must be enrolled in the medical plan.

If you have elected Wake Forest University medical coverage, you are automatically enrolled in the prescription drug plan at no additional cost.

OPTUMRX HOME DELIVERY
OptumRx Home Delivery is the Plan’s Mail Order Program. This program provides cost savings, as well as expedited shipping and delivery tracking, easy ordering, and flexible payment options. Refill reminders can ensure members are never left without medication on-hand, and refills may be obtained by calling OptumRx or using their website or mobile app.

SPECIALTY MEDICATIONS
Specialty medications are used to treat chronic (long-term), life-threatening, and/or rare diseases, and they may:
• Be given by infusion or injection, or taken orally
• Cost more than traditional medications
• Have special storage and handling requirements

BRIOVARX SPECIALTY PHARMACY
As the Plan’s Specialty Pharmacy Provider, BriovaRx embraces a holistic approach to complex and costly conditions such as Multiple Sclerosis, Auto-Immune Disorders, Hemophilia, Hepatitis C, Respiratory Syncytial Virus (RSV) Growth Disorders, Transplants, and Oral Oncology. Member support includes thorough education on illnesses, medication regimens, and side effect management, as well as awareness of community resources, copayment assistance programs, and more.

GENERIC MEDICATIONS
The U.S. Food and Drug Administration (FDA) requires a generic product to be the same as its brand equivalent in dosage, strength, intended use, safety and clinical results. Additionally, the manufacturer of the generic product is required to meet the same high standards for manufacturing practices.

*Prescription copayments are the same for both Low and High Plans
PRIOR AUTHORIZATION REQUIREMENT
The following prescription drugs may require prior authorization (this is not an exhaustive list):
- Prescriptions to treat Attention Deficit and Hyperactivity Disorder (ADHD) or Acne: Require prior authorization approval over age 19.
- Oxycontin, Symlin, Byetta, Compounded Prescriptions (include multiple ingredients): May require prior authorization to ensure compliance with intended use.

While a physician may have written a prescription for these medications, OptumRx may require them to complete a prior authorization form, specifying the intended use and length of use. These medications may need to go through the prior authorization process multiple times a year, depending on the physician’s recommendations.

MEDICATION ADHERENCE PROGRAM
The voluntary Medication Adherence Program through OptumRx promotes medication adherence by connecting personally with members who take medication for diabetes, hypertension, and high cholesterol:
- Members who are new to therapy will receive letters with information about their disease state and medication. They will also be offered a clinical pharmacist consultation to talk through questions or concerns about the new medication.
- Members who are late to refill a prescription will receive an interactive voice response (IVR) phone call on the second and tenth days after their scheduled refill, along with an option to transfer to a pharmacy. OptumRx offers members an opportunity to talk with a clinical pharmacist about their medication's importance and how to take it consistently.

DIABETES MANAGEMENT PROGRAM
The voluntary Diabetes Management Program through OptumRx provides personalized coaching and education to help empower you to better manage your diabetes. Regular blood glucose monitoring and counseling on lifestyle adjustments can help equip you with the tools you need to be an active participant in your own care. As part of this program, OptumRx will provide a new wireless blood glucose “smart” meter at no additional cost. This advanced, easy-to-use device measures your blood glucose and sends the data instantly to a website personalized for you. You will receive immediate feedback via phone, email and/or text, as needed, based on your individual blood glucose levels. Enroll or learn more about this cost-free program by calling (877) 492-2659.

OPTUMRX PREFERRED NETWORK PROGRAM
The Preferred Pharmacy Network program ensures member access to retail pharmacies and offers copayment savings. Preferred retail pharmacies include, but are not limited to:
- Harris Teeter
- Kroger
- Publix
- Rite Aid
- Sam’s
- Walgreens
- Walmart

Non-preferred pharmacies will apply a $5 additional copayment. Non-preferred pharmacies include, but are not limited to:
- CVS
- Novant Health
- Target

Contact OptumRx with any questions regarding the network status of your pharmacy.
If you have elected Wake Forest University medical coverage, you are automatically enrolled in a behavioral health plan at no additional cost.

MENTAL HEALTH AND SUBSTANCE ABUSE
Coverage for mental health and substance abuse services is coordinated through Carolina Behavioral Health Alliance (CBHA). Participants or covered family members seeking professional help or information on mental health or substance abuse issues may contact CBHA for a confidential assessment and service. A CBHA-licensed clinical case manager can direct them to an in-network provider and help ensure the most appropriate level of care is delivered timely, efficiently, and effectively.

PRIOR AUTHORIZATION
Inpatient treatment, partial hospitalization, and intensive outpatient programs require prior authorization by CBHA before receiving treatment. The participant or the treating provider may call CBHA for authorization. Outpatient services requiring prior authorization include:
- Psychological testing
- Electroconvulsive therapy
- Home visits by a behavioral health provider

The behavioral health plan has a separate $1,000 out-of-pocket maximum for both in- and out-of-network providers. The out-of-pocket maximum includes office visit copayments and all coinsurance amounts associated with mental health and substance abuse services coordinated through CBHA.

Additional online services include:
- Provider search
- Alcohol, opiates, and depression assessments
- Information on support groups and other community resources
- Informative articles

ADAPTIVE BEHAVIORAL TREATMENT
The behavioral health plan has been expanded to include coverage for Adaptive Behavioral Treatment (ABT). Members can access ABT services by calling CBHA at (800) 475-7900. A clinician will help determine the type of services needed, the diagnosis, treatment planning, or therapy, and will direct the member to an in-network provider who can assist with these services.

Benefits payable under ABT services are limited to $40,000 per member per year.

VISION
Plan through Superior Vision

**ELIGIBILITY:** Full-time faculty and staff, spouses, and dependent child(ren).

Wake Forest offers benefits-eligible faculty, staff, and dependents a voluntary vision plan that provides coverage for lenses, frames, and contact lenses through Superior Vision. Eye exam coverage is available through the medical plan. Faculty and staff who elect this plan pay the full premium cost through a pre-tax payroll deduction.

You do not need to have Wake Forest medical coverage to enroll. After you elect to participate, you will receive an ID card, and you may request a new copy by contacting Superior Vision.

**ELIGIBILITY:** Full-time faculty and staff, spouses, and dependent child(ren).

Wake Forest University offers all eligible faculty and staff two dental plan options through ACS Benefit Services:
- Low Plan: lower premiums, basic coverage
- High Plan: higher premiums, additional coverage

These options provide different levels of coverage to meet the varying needs of benefits-eligible faculty and staff members and their eligible dependents. Both plans cover preventive and basic services, but only the High Plan offers coverage for major services and orthodontia.

The plans run on a fiscal year (July 1 – June 30), but the plan benefits, deductibles, and out-of-pocket maximums run on a calendar year (January 1 – December 31).

**DENTEMAX**
As an added benefit, the University offers the Dentemax network. You may receive greater discounts on services by selecting an in-network provider, but you may use the provider of your choice. The following fees may apply:
- Usual Fee: fee often charged by a dentist for a specific service.
- Customary Fee: fee range for same service from most dentists of similar background and experience in North Carolina.
- Reasonable Fee: fee determined to be reasonable based on services rendered.

The dental plan's deductible and benefits accumulate on a calendar year. Every January 1, the deductible and benefits reset to zero, and one must meet the deductible before the plan pays for certain covered services.

**HEALTH CARE FLEXIBLE SPENDING**
If you elect a Health Care Flexible Spending Account, you may use it to pay for most dental services, but documentation will be required to substantiate the claim. See page 18.

FLEXIBLE SPENDING
Accounts through Stanley, Hunt, Dupree and Rhine

**ELIGIBILITY:** Full-time faculty and staff, spouses, and dependent child(ren).

You may use Flexible Spending Accounts (FSAs) to set aside money through pre-tax payroll deductions to cover qualified health care and dependent care expenses. Wake Forest University offers two types of FSAs:

- Health Care FSA
- Dependent Care FSA

You must re-elect FSAs each year or they will automatically terminate. These accounts run on a fiscal year (July 1 – June 30).

**HEALTH CARE FSA**
The Health Care FSA allows you to set aside pre-tax money to pay for eligible health care expenses that are not covered by the medical, dental, and vision plans.

Eligible expenses include:
- Office visit and prescription drug copayments
- Deductibles and coinsurance
- Insulin and diabetic supplies
- Braces and other orthodontic expenses
- Prescription glasses and non-prescription reading glasses
- Hearing aids
- LASIK/laser eye surgery
- Medical equipment (wheelchair, crutches, braces)
- Prosthetics and artificial limbs
- Acupuncture
- Dentures
- First aid supplies

Ineligible expenses include:
- Over-the-counter medications
- Health care premium deductions
- COBRA premiums
- Prescription drugs for cosmetic purposes
- Cosmetic surgery for non-medical conditions
- Funeral expenses
- Diet foods or nutritional supplements
- Illegal operations or treatments
- Maternity clothes
- Non-prescription safety glasses
- Teeth whitening
- Vitamins to improve overall health
- Deodorants

Visit the SHDR website for a complete list of eligible and ineligible expenses.

**HEALTH CARE FSA CARRY OVER**
Unused Health Care FSA funds, up to $500, will automatically carry over to the next year (funds exceeding $500 at the end of the plan year will be forfeited). You are not required to re-elect the FSA in order to carry over the $500 into the next plan year. If you do not re-elect FSA, the carry over amount will remain in your account until it is exhausted. If you re-elect a Health Care FSA and you have a carry over amount, your carry over will be exhausted first, then your annual election will be used.

**DEPENDENT CARE FSA**
The Dependent Care FSA allows you to set aside pre-tax money to pay for eligible dependent care expenses. This FSA is specifically for:
- Child care expenses for children up to age 13
- Adult day care expenses for dependents claimed on income taxes and who are mentally or physically unable to care for themselves

Eligible expenses include:
- Before- and after-school programs
- Nursery and preschool tuition
- Summer day camp (when the primary purpose is custodial care)
- Au pairs
- Sick child center
- Expenses incurred while a parent seeks employment

Dependent care benefits elected under an FSA plan offset the federal tax credit for dependent care allowable on federal income tax returns. If married, both spouses must work or attend school full-time to use this benefit. Only the amount that has been deducted year-to-date from pay may be submitted for expense reimbursement. You will be responsible for paying taxes on the amount that exceeds the IRS calendar year limit of $5,000. If you experience a dependent care qualifying event, you may be eligible to change your election outside Annual Benefits Enrollment. The Dependent Care FSA is not eligible for a carry over.

There is no minimum amount for either plan. Participants may set aside any amount up to the annual plan limit.

DOCUMENTATION AND SUSPENSION

Documentation may be required to verify that the expenses are eligible if SHDR is not able to auto-substantiate the debit card purchase. A charge may not be auto-substantiated if it is:

- Not an exact match (or multiple) of the medical plan copayment,
- From a non-approved merchant (i.e., IIAS merchants such as Walgreens or CVS), or
- Not reoccurring (an expense will be classified as reoccurring after it has been substantiated three times)

If the charge cannot be auto-substantiated, SHDR will send up to three letters or emails requesting documentation. You will be required to email the documentation to shdrflexcard@shdr.com. Per Internal Revenue Service (IRS) standards, it must include:

- Name of provider
- Name of patient
- Date of service
- Name of service
- Cost
- Insurance payment
- Patient's financial responsibility

The debit card may be suspended if you do not provide documentation which includes the information listed above. It may also be suspended if the card was used to pay for:

- An ineligible item
- An expense that was incurred before the plan year
- An expense that has not yet been incurred
- More than the actual expense

If one of the above occurs, you must "pay back" the ineligible amount to the FSA. This may be done one of three ways:

- The medical provider may credit the amount of the ineligible expense back to the account.
- You may send "off-setting" or "substitute" receipts.
- You may send a check to SHDR in the amount of the overpayment.

PLAN DETAILS

During Annual Benefits Enrollment, you may elect the amount you forecast for eligible health care or dependent care expenses for the coming plan year. The elected amount is divided into equal increments and withheld on a pre-tax basis from each paycheck. The annual election is available after the first payroll contribution for health care expenses. You may submit claims until September 30 for health care and dependent care expenses incurred during the previous plan year. All new participants will receive two debit cards at no cost. If you were previously enrolled in an FSA, you will need to keep your current debit card for future use; a new card will not be issued. If your debit card is lost or stolen, contact the provider directly. A fee will apply.

SHDR will reimburse you via check or direct deposit if the debit card is not used and you have submitted a reimbursement form with acceptable supporting documentation. Claims may be submitted until September 30 for expenses incurred during the previous plan year.
EDUCATION

Tuition Concession

Wake Forest University offers tuition reduction benefits for eligible faculty, staff, dependent children, and spouses.

The faculty or staff member’s anniversary date will determine if the first eligible semester will be Fall or Spring of a given year. If the eligibility requirement will be satisfied on or before October 1, the benefit is available for the coinciding Fall semester. If the eligibility requirement will be satisfied on or before February 1, the benefit is available for the coinciding Spring semester. Summer is not included as the first eligible semester.

TUITION CONCESSION FOR FACULTY AND STAFF

ELIGIBILITY: Faculty or staff with two years of full-time continuous service.

If you attend Wake Forest University:
- Full tuition reduction applies for part-time undergraduate study in the College or the School of Business.
- Full tuition reduction applies for part-time study in the Graduate School of Arts and Sciences.
- All graduate level coursework is taxable. The first $5,250 of incurred education assistance will be excluded from gross pay each calendar year and therefore that amount will not be taxed. Any education assistance that exceeds $5,250 in a calendar year will be taxed to the employee in the semester the education assistance is requested.
- There is a maximum of two courses per semester, with approval by the manager or Department Head and Human Resources.
- You may audit classes, with approval by the manager or Department Head, Human Resources, and the Dean of the individual College/School.

Tuition concession benefits for faculty and staff do not apply to graduate study in the Wake Forest University School of Business, School of Law, School of Medicine, or School of Divinity. Additionally, they do not apply to courses requiring individual instruction.

If you attend another institution:
- The 2016/2017 academic year limit is $5,393.64, or $2,696.82 per semester, for tuition and academic fees. The 2017/2018 academic year limit will be published at a future date.
- The benefit applies to undergraduate study only.
- There is a maximum of two courses per semester, with approval by the manager or Department Head and Human Resources.
- Online courses are eligible.
- You must maintain at least a 2.0 GPA.
- The course or degree program must directly relate to your job responsibilities.

TUITION CONCESSION FOR DEPENDENT CHILDREN

ELIGIBILITY: Dependents of faculty or staff with:
- Five years* of full-time continuous service if hired on or after January 1, 2014, or
- Three years of full-time continuous service, if hired before January 1, 2014.

*If you worked at an accredited higher education institution at least two years immediately preceding employment at Wake Forest University, you may be eligible to reduce the waiting period to three years.

The Tuition Concession program applies to dependents who:
- Are your biological children, legally adopted children, or stepchildren.
- Are less than 26 years of age and substantially dependent upon you.
- Do not already hold an undergraduate degree.
- Meet the admissions requirements.

If the dependent attends Wake Forest University:
- Wake Forest pays 80% of tuition and academic fees, if you were hired on or after January 1, 2014.
- Wake Forest pays 94% of tuition and academic fees, if you were hired before January 1, 2014.

Tuition concession benefits at other institutions do not apply if you already hold an undergraduate degree. Additionally, they do not apply to graduate study or courses requiring individual instruction.
• The benefit applies to undergraduate study only.
• There is a maximum of eight semesters per dependent, and 24 semesters per faculty or staff member.
• A $100 fee per credit hour applies for summer session enrollment.

If the dependent attends another institution:
• Wake Forest pays up to 19% of Wake Forest tuition and fees toward the cost to attend the other institution.
• The benefit may apply to associate and baccalaureate degree programs (including those offered at qualified technical schools and community colleges).
• There is a maximum of eight semesters per dependent, and 24 semesters per faculty or staff member.

Reynolda House staff are only eligible for the dependent tuition concession benefit.

*Tuition concession benefits have taxable implications for dependent children that are not substantially dependent on you; see the "Tuition Reduction Benefits for Dependent Children" policy for details.

**TUITION CONCESSION FOR SPOUSES**

**ELIGIBILITY:** Legally married to a full-time faculty or staff member (benefit is available immediately upon hire).

If the spouse attends Wake Forest University:
• 0-9 years of service: Wake Forest pays 50% of the tuition charged, up to the balance remaining after tuition-designated scholarships have been applied.
• 10 or more years of service: Wake Forest pays 66 2/3% of the tuition charged, up to the balance remaining after tuition-designated scholarships have been applied.
• The benefit applies to undergraduate study or study in the Graduate School of Arts and Sciences.

• Undergraduate tuition reduction is tax-free.
• Graduate tuition is taxable income to you.
• The spouse may audit classes with approval by the Dean of the individual College/Schools.

*Tuition concession benefits for spouses do not apply to other institutions.
EDUCATION
NC 529 College Savings Plan

**ELIGIBILITY:** All faculty and staff.

North Carolina’s National College Savings Program enables you to set aside money for qualified higher education expenses at Wake Forest University or other institutions. These expenses include:
- Tuition and fees
- Room and board
- Books, supplies, and equipment required for enrollment

You may open an account for yourself or a person of any age, including a newborn. Other relatives, friends, and certain organizations also may open an account and save for an individual’s college education. There is a low minimum opening contribution required, and you may make additional monthly or occasional contributions. If there are assets left in your account when your beneficiary has completed college, you may designate a new related beneficiary of the account.

**INVESTMENT OPTIONS**
A variety of investment options cover a range of strategies, from conservative to aggressive. You may select a mix to meet your own investment objectives, time remaining until college, and tolerance for risk. The Internal Revenue Service (IRS) allows you to adjust your current investment mix once each calendar year or if the beneficiary of your account changes. You may update how your future contributions will be invested at any time.

**TAX ADVANTAGES**
As a North Carolina taxpayer, you may qualify for a tax deduction for contributions to the 529 Plan. There are no federal taxes on earnings, and there are no state taxes on earnings for North Carolina taxpayers. Withdrawals used for qualified higher education expenses are exempt from both North Carolina and federal income taxes. If you are a resident of a state other than North Carolina, consult a tax advisor.

The earnings portion of withdrawals not used for qualified higher education expenses is subject to federal income tax, a 10% federal penalty tax, and state and local income taxes. The availability of tax benefits may be contingent on meeting other requirements.

*Authorized by the General Assembly of the State of North Carolina; established and maintained by the North Carolina State Education Assistance Authority.*
The Wake Forest University 403(b) Retirement Plan offers multiple ways to plan for your financial future.

Contact TIAA directly to enroll in the retirement plan, select your investments, and establish beneficiaries.

**FACULTY/STAFF CONTRIBUTIONS**

**ELIGIBILITY:** Full- and part-time faculty and staff immediately upon hire.

You may set aside money from your pay on a pre- and/or post-tax basis immediately upon employment. Post-tax contributions are available through the Roth option.

Limits on voluntary contributions are imposed by the Internal Revenue Service (IRS) annually. The 2017 limit is $18,000 for those under age 50 and $24,000 for those age 50 and over. Contributions may be changed in each pay cycle.

**WAKE FOREST CONTRIBUTIONS**

**ELIGIBILITY:** Full- and part-time faculty and staff who work at least 1,000 hours per year for two* years without a break in service.

After you have met the eligibility criteria, Wake Forest will contribute to the retirement plan as follows:

- 5% of regular salary, if greater than two, but less than or equal to five years of service
- 7.5% of regular salary if greater than five, but less than or equal to 10 years of service
- 10% of regular salary, if greater than 10 years of service

**PRIOR SERVICE CREDIT**

*Faculty and staff employed at another higher education institution or nonprofit research organization for two years immediately preceding employment at Wake Forest University (1,000 hours per year) may be eligible for employer contributions without a waiting period.

*Faculty and staff employed at a museum for two years immediately preceding employment at Reynolda House (1,000 hours per year) may be eligible for employer contributions without a waiting period.

**AUTO-ENROLLMENT**

If you were hired prior to July 1, 2016, and have not previously contributed to the Plan through TIAA, there will be a one-time auto-enrollment at 5% of your eligible compensation, effective July 1, 2017.

If you opt out within 30 days of July 1, 2017, no contributions will be made. If you opt out after 30 days, the update will apply to the next payroll; any existing contributions will remain in your Retirement Plan account.

**ADVICE SESSIONS**

One-on-one advice sessions provide information about investment tools and resources available to help achieve your financial goals. Schedule a session with a Financial Consultant at no cost to you by contacting TIAA directly.

LEGAL
Legal Plan through ARAG

ELIGIBILITY: Full-time faculty and staff.

Wake Forest University offers two legal plans:
• Low Plan
• High Plan

Legal insurance provides assistance with a wide range of situations such as dealing with traffic tickets, resolving warranty issues, buying a home, and creating a will. You will receive legal advice and representation that is 100% paid-in-full for most covered legal matters when you work with a credentialed ARAG Network Attorney.

IN-OFFICE LEGAL ADVICE, CONSULTATION, AND REPRESENTATION
You may work in-office with a nationwide network of attorneys who can:
• Review or prepare documents
• Make follow-up calls or write letters on your behalf
• Represent you if needed

Consult with Network Attorneys over the phone as often as necessary for any of the following needs:
• General legal advice
• Standard will and living will preparation
• Small claims assistance
• Follow-up calls and letters
• Specific document preparation and document review (up to four pages)

IDENTITY THEFT PROTECTION
Members who select the High Plan have access to identity theft resources and services, including:
• $1 million identity theft insurance
• Full-service identity restoration
• Internet identity theft surveillance
• Single-bureau credit monitoring
• Lost wallet services
• Identity theft case managers
• Child identity theft monitoring

Eligibility, coverage, limitations, and exclusions are governed by a separate coverage document. Please see the identity theft plan summary for details.

DISABILITY
Short-term, Long-term, and Workers’ Compensation

Wake Forest University offers short-term disability, long-term disability, and workers’ compensation to protect against financial hardships due to illness or injury.

Disability is defined as an absence or inability to perform one’s occupation due to illness or injury.

SHORT-TERM DISABILITY

**ELIGIBILITY:** Full-time staff who:
- Are budgeted to work 1,560 or more hours per year (1,400 if hired before July 1, 2013), and
- Have completed at least one year of regular full-time employment prior to an absence.

Short-term disability provides salary continuation at 60% of base pay during periods of prolonged illness or injury. "Prolonged" refers to more than five consecutive workdays, since the initial five days are intended to be covered by Paid Time Off (PTO), Sick Leave Reserve (if applicable), or leave without pay. Once you have determined that you will be out of work beyond these initial five days, contact Human Resources.

At the onset of an approved short-term disability leave, the University will continue salary based on the following schedule:
- 6th – 130th work day: Salary continuation at 60% of base pay.
- 131st work day: Begin long-term disability, if eligible.

*If you are a full-time faculty member budgeted to work 1,096 hours or more, a plan is available. Contact Human Resources for details.

You are responsible for informing the University of your return-to-work status. A basic principle of any disability plan is to return the individual to active employment as quickly as possible, and to provide a level of salary remuneration that will encourage a return to a full schedule.

A doctor's certification will be required prior to the approval of short-term disability and upon your return to work. The doctor may place you on a light duty restriction or an abbreviated schedule.

See the “Short-Term Disability” policy for more information.

LONG-TERM DISABILITY

**ELIGIBILITY:** Full-time faculty and staff are eligible the first of the month following or coincident with their date of hire.

Long-term disability provides a benefit equivalent to 60% of your pre-disability earnings, up to a $10,000 per month maximum. Partial disability benefits are available.

This benefit may start as of the first day of the month following the end of a six-month elimination period.

Documentation should be filed approximately 45 days prior to the end of the long-term disability period, to ensure the timely receipt of benefits from the insurance carrier. No benefit will be paid if the disability is caused or contributed to by intentionally self-inflicted injury, war, or a pre-existing condition (an accident or injury that occurred one full year prior to the eligibility date).
WORKERS’ COMPENSATION

ELIGIBILITY: Part- and full-time faculty and staff, and working students.

All Wake Forest University faculty, staff, and working students are covered under the North Carolina Workers’ Compensation Act. In accordance with the Act, no compensation will be paid for the first seven calendar days of disability resulting from a compensable injury. If the compensable injury results in a disability lasting more than 21 days, however, compensation will be paid from the date of disability.

All on-the-job injuries, regardless of severity, must be reported to, and recorded by, the employee’s supervisor immediately after the injury or as soon thereafter as practicable, by submitting a First Report of Incident online to PMA Companies, the University’s Workers’ Compensation provider. All zeros should be entered as the injured employee’s Social Security Number. Please include AskHR@wfu.edu along with your email address to receive an email confirmation. Please call PMA Customer Service at (888) 476-2669 if you need assistance completing the online form.

The supervisor or departmental representative must advise Human Resources (336-758-4700) and the Environmental Health and Safety Office (336-758-3427) of all on-the-job injuries. North Carolina law requires that these injuries be reported to the N.C. Industrial Commission within five days.

An employee who reports an on-the-job injury, and seeks professional medical treatment resulting in his/her absence for the remainder of that work day or shift, will be paid as if he/she had worked the full day or shift at his/her regular rate of pay. Ongoing medical care requiring time away from work during regular work hours will be regarded as time worked. This medical care must be authorized by Human Resources and the employee must notify his/her supervisor of the treatment schedule.

You must provide your manager or Department Head with written medical permission to return to work if you have suffered a compensable injury. The situation must be reviewed with Human Resources if there are any questions about your ability to return to work.

TREATMENT FACILITIES
If injured at work, the preferred treatment facility is:

Supplemental Insurance Plans through Aflac

Wake Forest University offers the following insurance plans through Aflac:
- Accident Plan
- Specified Health Event Plan
- Cancer Plan

These plans may help you pay additional out-of-pocket expenses including:
- Deductible and copayments
- Loss of income if the healthy spouse must leave work to care for the recuperating spouse
- Incident-related costs such as travel expenses to and from medical centers, childcare, and extra household help
- Everyday living expenses.

**ACCIDENT PLAN**

**ELIGIBILITY:** Full-time faculty and staff, ages 18-75.

The Accident Plan benefits are payable for a covered person's death, dismemberment, or injury caused by a covered accident that occurs on or off the job. Aflac will send monetary benefits directly to you, and you will decide the best way to spend them. You will receive benefit expenses that may not be fully covered by your major medical insurance.

**SPECIFIED HEALTH EVENT PLAN**

**ELIGIBILITY:** Full-time faculty and staff, ages 18-64.

The Specified Health Event Plan pays a first-occurrence benefit, hospital confinement benefits, and continuing care benefits for heart attack, coronary artery bypass surgery, stroke, end-stage renal failure, major human organ transplant, major third degree burns, coma, and paralysis.

**CANCER PLAN**

**ELIGIBILITY:** Full-time faculty and staff, ages 18-75.

The Cancer Plan may help protect your income and savings from expenses that are not covered by your medical plan. These may include out-of-pocket medical expenses, out-of-network specialists, experimental cancer treatment, travel and lodging when treatment is far from home, child care, and household help.

*The premiums above are effective July 1, 2017.*
Wake Forest offers a plan which provides a benefit if your death or accidental dismemberment occurs while you are employed at the University. You will not pay a premium since Wake Forest covers the full cost of this plan, but you will be taxed if coverage exceeds $50,000.

**ELIGIBILITY:** Full-time faculty and staff are eligible on the first of the month following their date of hire.

Life insurance coverage is based on the following calculation:
- If your salary is less than $50,000: 1.5x salary rounded up to the next highest thousand, capped at $50,000 of coverage.
- If your salary is $50,000 or more: 1x salary rounded up to the next highest thousand, capped at $100,000 coverage.

If you are terminally ill, a living benefit option allows you to receive part of your benefit during your life.

If your death is ruled accidental, the value of the policy is doubled. Coverage is continued if you are totally disabled before reaching age 65, with a waiver of the premium until age 70. Coverage reduces to 65% at age 70, reduces to 50% at age 75, and terminates at retirement or termination of employment. You may continue coverage by paying the required premium if you leave the University.

Premiums paid by the University for life insurance greater than $50,000 are reported as imputed income and taxable to the faculty or staff member.
SUPPLEMENTAL
Voluntary Life, Dependent Life, and AD&D Insurance through Cigna

ELIGIBILITY: Full-time, benefits-eligible faculty and staff.

Wake Forest University offers voluntary life and Accidental Death and Dismemberment (AD&D) coverage, up to your retirement or termination of employment. You may convert coverage to an individual policy if requested within 31 days of your employment end date.

VOLUNTARY LIFE INSURANCE
The voluntary life insurance plan is a group term life plan that covers you in the event of your death. You may elect one to five times your annual salary, up to $500,000 of coverage. This benefit has an automatic increase feature based on your salary.

You will have 30 days to elect coverage during your new hire period. If you make this election during your new hire period, coverage may be the lesser of three times your base salary or $400,000 without providing a Medical History Statement form.

If you make this election after your new hire period, you must complete a Medical History Statement form and submit it to the provider for all coverage amounts. The provider will evaluate the application and contact you regarding their decision.

Consider the following coverage details:
- Reduction formula: Benefits reduce to 65% at age 70 and 50% at age 75.
- Living benefit option: Available if you have a life expectancy of 12 months or less.
- Premium waiver: If you are disabled prior to reaching age 65 while covered, premiums may be waived. If approved, the waiver continues to age 70.
- Portability: Allows you to maintain your coverage on a direct billed basis after it would normally terminate.

VOLUNTARY DEPENDENT LIFE INSURANCE
The voluntary dependent life insurance plan is a group term life plan that covers a spouse and/or dependent child(ren) in the event of their death.

You may elect this coverage at any point during the year. If you are within your 30-day new hire period, you may purchase coverage for your spouse with no medical underwriting. If you make this election outside your new hire period, all coverage will be subject to medical underwriting. If your spouse is also a faculty or staff member, you may not elect the voluntary spousal coverage.

Coverage for a dependent child(ren) does not require medical underwriting at any time. Children over age 19 must be full-time students.

VOLUNTARY AD&D
Voluntary AD&D pays a benefit, based upon a schedule, in the event of death, dismemberment, or permanent total disability as the result of an accident.

You may elect up to 10 times your annual salary, up to $500,000, in $10,000 increments. You may elect this coverage during your new hire period, Annual Benefits Enrollment, or if you have a qualifying event. A Medical History Statement form is not required.

Consider the following coverage details:
- If your family consists of a spouse only, the spouse is covered at 60% of your elected coverage amount, up to $300,000.
- If your family consists of child(ren) only, the child(ren) are covered at 20% of your elected coverage amount for each child, up to $25,000 for each child.
- If your family consists of a spouse and child(ren), the spouse is covered at 50% of your elected coverage amount, up to $250,000; the child(ren) are covered at 15% of your elected coverage amount, up to $25,000 for each child.

TIME OFF
Paid Time Off (PTO) and Holidays

PAID TIME OFF

ELIGIBILITY: Part- and full-time staff.

The University maintains a Paid Time Off (PTO) program to provide staff the opportunity to take time away from work without loss of compensation. This is an inclusive time off program, intended for use in connection with:

- Vacations
- Non-work related short-term injuries and illnesses of five days or less
- Personal business
- Family care
- Other needs requiring time off from work

Non-exempt staff accrue PTO on a biweekly basis. Exempt staff accrue PTO on a monthly basis, but have immediate access to it upon hire (pro-rated, depending on hire date), or January 1 of each calendar year. Staff who are budgeted to work less than 1,000 hours per year are not eligible.

Effective July 1, 2017, Wake Forest Fellows are eligible for up to two weeks of Paid Time Off.

Reynolda House staff who are budgeted to work less than 1,560 hours per year are not eligible.

The University manages PTO electronically for all staff through NOVAtime. Across all departments, all staff paid monthly should use the system to request PTO. Staff paid biweekly use NOVAtime to record hours worked, as well as PTO. Additionally, the system provides managers with a convenient way to click to approve requests.

HOLIDAYS

ELIGIBILITY: Part- and full-time faculty and staff; does not include:
- Staff on leave of absence
- Temporary employees

Wake Forest University observes the following holidays:

- New Year’s Day
- Martin Luther King Day
- Good Friday
- Memorial Day
- Independence Day
- Labor Day
- Thanksgiving
- Winter Holiday

Reynolda House observes a separate holiday schedule.

TIME OFF

Parental Leave (Staff)

**ELIGIBILITY:** Staff who:
- Are employed full-time (regularly scheduled to work 1,400 or more hours per year)
- Have at least one year of regular full-time service (minimum of 1,250 hours worked) at the time the birth or adoption occurs or is scheduled to occur
- Gives birth to or parents a newborn, or adopts* a child
- Have primary responsibility (responsibility for over 50% of the care) for the child immediately following the birth or adoption

Wake Forest University offers paid leave to allow for the healthy recovery of the primary caregiver, bonding with the adopted child, and/or a period of family adjustment with the following paid benefits:
- Up to six weeks of base salary continuation.
- After the initial six weeks, the eligibility to utilize available Paid Time Off (PTO) or leave without pay, up to the maximum amount allowed under the Family and Medical Leave Act (FMLA).
- The leave may occur before (e.g., an absence for travel or a required class) or after the birth or adoption.

All parental leave requests must be submitted in writing to the appropriate manager. As close as reasonable to the beginning of the leave, complete Part I of the Staff Parental/Adoption Leave Request Form, have the doctor complete Part II (if applicable), and forward the form to the immediate manager and to Human Resources for approval. You must also complete and send The Primary Caregiver Affidavit and the FMLA Request Form to Human Resources.

Contact Human Resources for questions about faculty leave.

*Leave is available only in cases of formal adoption; it is not available in any other case, including but not limited to legal guardianship or foster care. A parent adopting a child of a new spouse is not eligible.
TIME OFF
Family and Medical Leave (FML)

**Snapshot**
Up to 12 weeks of unpaid leave for family and medical reasons

**Provider**
Wake Forest University Human Resources
(336) 758-4700
AskHR@wfu.edu
hr.wfu.edu

**ELIGIBILITY:** Full- and part-time faculty and staff.

Full- and part-time faculty and staff are eligible for up to 12 weeks of unpaid Family and Medical Leave (FML) during a 12-month period if they have:

- Worked for Wake Forest for at least 12 months (generally during the seven-year period immediately preceding the start of the leave), and
- Worked for Wake Forest at least 1,250 hours during the 12-month period immediately preceding the start of the leave.

You may use FML if:

- Your serious health condition prevents you from performing one or more of your essential job functions.
- You are caring for a parent, spouse, or child with a serious health condition.
- You are caring for your child after birth, or placement for adoption or foster care in your home, providing you take the leave within 12 months of the child’s introduction to the family.
- A qualifying exigency (as defined by federal regulation) arises out of the fact that your spouse, son, daughter, or parent is on active duty (or has been notified of an impending call, order to active duty or deployment to a foreign country) in the Armed Forces, as a full-time member or member of a reserve component, in support of a contingency operation. This leave applies only to families of members of the National Guard, reserves, and certain retired members of the military (not to families of active members of the regular armed services).

The duration of FML, and whether it is paid or unpaid, depends on your individual situation. You will be required to use any accrued Sick Leave Reserve (if applicable and authorized) and Paid Time Off (PTO), minus five days of PTO if you wish to retain it, before being placed on unpaid leave, if eligible for PTO. All paid leaves run concurrently (including Workers’ Compensation Leave, Short-Term Disability, and Parental Leave), and do not extend the time you are entitled to under the Family and Medical Leave Act (FMLA). Staff will continue to accrue PTO during paid leave, but will not accrue PTO during unpaid leave.

**RETURNING FROM LEAVE**
If returning from leave for a serious health condition, you must provide the appropriate manager or Department Head with a certificate from a health care provider documenting your ability to perform the essential job functions.

You will be reinstated to the same or equivalent position, with equivalent pay, benefits, and other terms and conditions of employment. Failure to return to work in a timely fashion may result in termination of employment. This does not apply if your position would have otherwise been terminated (i.e., a reduction-in-force), had you not taken FML.

You may take up to 26 weeks of leave during a single 12-month period to care for a covered service member, including a veteran, when you are the spouse, son, daughter, parent, or next of kin of the covered service member.
SUPPORT
Health Advocacy Services through Cigna

**ELIGIBILITY:** Full-time faculty and staff covered under the Basic Life Plan, and their eligible family members (spouse, dependent children, parents, and parents-in-law).

Wake Forest University offers Health Advocacy Services through Cigna, the University’s Basic Life Plan provider. These services are provided by experienced clinicians and insurance professionals.

**CLINICAL SERVICES**
These services help:
- Identify physicians, hospitals, dentists, and related health care providers.
- Research questions about diagnoses, treatments, and available support systems.
- With rare or complex medical conditions to identify top institutions or specialized programs.
- With prescription drug issues.
- Coordinate hospice, home care, and other services for terminally ill individuals.
- Provide information and resources about medical terms, tests, medications, and treatments.

**SENIOR CARE AND SPECIAL NEEDS SERVICES**
These services locate:
- Elder care facilities, group homes, nursing homes, and adult day care.
- Homemakers, home health aides, private duty nurses, and rehabilitation services.
- Local physicians who make house calls for people who cannot easily get to the doctor’s office.

**ADMINISTRATIVE SUPPORT SERVICES**
These services assist with:
- Benefits, coverage, eligibility, claims, and related paperwork.
- Pre-authorization and pre-determination process.
- Denials and incorrectly applied provider coding of deductibles and copayments.
- Resolving questions about whether services are condition-specific or related to preventive care.
- Understanding the process for obtaining coverage for medical equipment, devices, and supplies.
- The review and appeals process.

**FINANCIAL SUPPORT SERVICES**
These services provide:
- Assistance regarding current benefit costs and the cost of alternative approaches.
- Comparative cost estimates for the service in question.
- Negotiations of fees with health care providers prior to services to reduce out-of-pocket costs.
- Reviews of questionable bills to catch duplicate or erroneous charges.

**MEDICAL BILL SAVER™ SERVICES**
These services offer:
- Negotiations of discounts with health service providers for non-covered medical bills that are more than $400, helping to reduce out-of-pocket costs.
- Written summaries of the outcome of the negotiations.
- Secure written provider sign-offs on the terms and conditions that are negotiated.
- Education to clarify the overall health plan and how to maximize benefits and savings.
Wake Forest University promotes a healthy work-life balance, with help from the following programs.

**EMPLOYEE ASSISTANCE PROGRAM**

The Elder Care Choices program provides resources to help manage work and family responsibilities when caring for elderly relatives. Program counselors are available for confidential consultations and will research services and care resources for anywhere in the United States.

**WORK FAMILY RESOURCE CENTER**

**ELIGIBILITY:** Full-time faculty and staff.

The Work Family Resource Center helps identify child care services for children age birth to middle school. This program provides telephone referrals and written information on providers who meet all applicable state and local standards. Referrals will include the following details:
- Name of the contact person
- Description of the type of care provided
- Eligibility requirements
- Ages of children served
- Vacancies
- Hours and days open
- Licensing status
- Affiliation and accreditation
- Availability of services for children with special needs
- Availability of other services, such as drop-in and sick care, transportation, bilingual services, meals, etc.
- Financial arrangements, including fees and subsidies

**TOBACCO CESSATION**

**ELIGIBILITY:** All faculty, staff, and spouses.

Wake Forest sponsors tobacco cessation classes throughout the year. Visit the Professional Development Center at pdc.wfu.edu to see if a new class is scheduled.

**LACTATION ROOMS**

**ELIGIBILITY:** All faculty and staff.

Lactation rooms are available across campus to support nursing mothers returning to work. Each room offers a clean, secure, and private space, and most rooms are equipped with comfortable seating, a table, and ample electrical outlets near the chair. Some rooms also contain refrigerators and a sink. Visit Deacon Space via WIN to register for a room, or contact Human Resources for help finding a location.

COBRA RATES
Continuation of Health Coverage

ELIGIBILITY: Faculty and staff who experience a COBRA qualifying event.

The Consolidated Omnibus Budget Reconciliation Act (COBRA) benefit provision provides continuation of group health coverage that otherwise might be terminated.

EXTENDING YOUR HEALTH COVERAGE
If you leave Wake Forest, your medical, dental, and/or vision benefits will last through the end of the month in which you terminate.* You will be responsible for the full premium payment (plus a 2% service charge). Additionally, you will receive instructions for continuing your existing coverage for up to 18 months through COBRA. Stanley, Hunt, DuPree and Rhine will send these instructions approximately 14 days after your termination date.

FLEXIBLE SPENDING CONTRIBUTIONS
You have the right to make after-tax Flexible Spending Account contributions (plus a 2% service charge) after your employment ends. This COBRA continuation maintains your annual election amount for the remainder of the year.

COBRA QUALIFYING EVENTS
Qualifying events include: termination, retirement, medicare entitlement, loss of dependent status, death of employee, divorce, reduced hours, and leave of absence.

*Life and Disability coverage ends on the termination date.

COBRA RATES
The monthly COBRA rates for continued medical, dental, and vision coverage for July 1, 2017 – June 30, 2018 are provided below.

MEDICARE
Prescription Drug Coverage and Medicare

IMPORTANT NOTICE FROM WAKE FOREST UNIVERSITY ABOUT YOUR PRESCRIPTION DRUG COVERAGE AND MEDICARE
Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with the Wake Forest University Health Plan and about your options under Medicare’s prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare’s prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

2. Wake Forest University has determined that the prescription drug coverage offered by the Wake Forest University Health Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

WHAT HAPPENS TO YOUR CURRENT COVERAGE IF YOU DECIDE TO JOIN A MEDICARE DRUG PLAN?
If you decide to join a Medicare drug plan, your current Wake Forest University coverage will not be affected. If current faculty and staff decide to join a Medicare drug plan and drop your current Wake Forest University coverage, be aware that you and your dependents will not be able to get this coverage back until the next annual benefits enrollment period, unless you experience a qualifying event. Note that your current coverage pays for other health expenses, in addition to prescription drugs, and you will still be eligible to receive all of your current health and prescription drug benefits if you choose to enroll in a Medicare prescription drug plan and keep your coverage under the Wake Forest University Health Plan.

WHEN WILL YOU PAY A HIGHER PREMIUM (PENALTY) TO JOIN A MEDICARE DRUG PLAN?
You should also know that if you drop or lose your current coverage with Wake Forest University and don’t join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage.

For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. Additionally, you may have to wait until the following October to join.
SUMMARY OF OPTIONS FOR MEDICARE-ELIGIBLE FACULTY, STAFF, AND RETIREES (AND/OR DEPENDENTS)
Medical and prescription drug coverage are offered as a package under the Wake Forest University Health Plan (you cannot elect medical coverage without prescription drug coverage).

1. Continue medical and prescription drug coverage under the Wake Forest University Health Plan and do not elect Medicare D coverage.
   **Impact:** Your claims continue to be paid by the Wake Forest University Health Plan.

2. Continue medical and prescription drug coverage under the Wake Forest University Health Plan and elect Medicare D coverage.
   **Impact:** As an active faculty member, staff member, or retiree under age 65 who is not eligible for Medicare (or dependent of an active faculty or staff member), the Wake Forest University Health Plan continues to pay primary on your claims (pays before Medicare D).

3. Drop the Wake Forest University Health Plan coverage and elect Medicare Part D coverage.
   **Impact:** Medicare is your primary coverage.

ADDITIONAL INFORMATION ABOUT MEDICARE PRESCRIPTION DRUG COVERAGE

- Visit www.medicare.gov.
- Call your State Health Insurance Assistance Program (see the inside back cover of a copy of the “Medicare & You” handbook for their telephone number) for personalized help.
- Call (800) MEDICARE (800-633-4227). TTY users should call (877) 486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. Visit Social Security on the web at www.socialsecurity.gov, or call them at (800) 772-1213 (TTY 800-325-0778) for information about this extra help.

**Remember:** Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

ADDITIONAL INFORMATION ABOUT THIS NOTICE OR YOUR CURRENT PRESCRIPTION DRUG COVERAGE
Refer to the contact information listed on the right side of this page.

**Note:** You will receive this notice each year. You will also receive it before the next period you can join a Medicare drug plan, and if this coverage through Wake Forest University changes. You also may request a copy of this notice at any time.

ADDITIONAL INFORMATION ABOUT YOUR OPTIONS UNDER MEDICARE PRESCRIPTION DRUG COVERAGE
More detailed information about Medicare plans that offer prescription drug coverage is in the “Medicare & You” handbook. You will receive a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.
LOSS OF OTHER COVERAGE
If you are declining enrollment for yourself and/or your dependents (including your spouse) because of other health insurance coverage or group health plan coverage, you may be able to enroll yourself and/or your dependents in this plan if you or your dependents lose eligibility for other coverage or if the employer stops contributing toward your or your dependent's coverage. To be eligible for this special enrollment opportunity, you must request enrollment within 30 days after your other coverage ends or after the employer stops contributing toward the other coverage.

NEW DEPENDENT AS A RESULT OF MARRIAGE, BIRTH, ADOPTION, OR PLACEMENT FOR ADOPTION
If you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and/or your dependent(s). To be eligible for this special enrollment opportunity, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

MEDICAID COVERAGE
The Wake Forest University Health Plan will allow a faculty member, staff member, or dependent who is eligible, but not enrolled for coverage, to enroll for coverage if either of the following events occur:

1. Termination of Medicaid or Chip Coverage
   If the faculty member, staff member, or dependent is covered under a Medicaid plan or under a State Child Health Plan (SCHIP) and coverage of the employee or dependent under such a plan is terminated as a result of loss of eligibility.

2. Eligibility for Premium Assistance Under Medicaid or CHIP
   If the employee or dependent becomes eligible for premium assistance under Medicaid or SCHIP, including under any waiver or demonstration project conducted under or in relation to such a plan. This is usually a program where the state assists employed individuals with premium payment assistance for their employer's group health plan rather than direct enrollment in a state Medicaid program.

   To be eligible for this special enrollment opportunity, you must request coverage under the group health plan within 60 days after the date the faculty member, staff member, or dependent becomes eligible for premium assistance under Medicaid or SCHIP or the date you or your dependent's Medicaid or state-sponsored CHIP coverage ends.

   To request special enrollment or obtain more information, please contact Wake Forest University Human Resources.

PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN’S HEALTH INSURANCE PROGRAM (CHIP)
If you are eligible for health coverage but are unable to afford the premiums, some States have premium assistance programs that can help pay for coverage. If you or your children are not eligible for Medicaid or CHIP, you will not be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

   If you or your dependents are already enrolled in Medicaid or CHIP, you can contact your State Medicaid or CHIP office to find out if premium assistance is available.

   If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, you can contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or www.insurekidsnow.gov to find out how to apply.

   Once it is determined that you or your dependents are eligible for premium assistance under Medicaid
or CHIP, you must request coverage within 60 days of being determined eligible for premium assistance.

THE WOMEN’S HEALTH AND CANCER RIGHTS ACT
The Women’s Health and Cancer Rights Act requires group health plans that provide coverage for mastectomy to provide coverage for certain reconstructive service. This law also requires that written notice of the availability of the coverage be delivered to all plan participants upon enrollment and annually thereafter. This language serves to fulfill that requirement for this year.

These services include:
- Reconstruction of the breast upon which the mastectomy has been performed
- Surgery/reconstruction of the breast to produce a symmetrical appearance
- Prostheses
- Treatment for physical complications during all stages of mastectomy, including lymphedemases

Additionally, the Plan may not:
- Interfere with a participant’s rights under the plan to avoid these requirements
- Offer inducements to the health care provider, or assess penalties against the provider, in an attempt to interfere with the requirements of the law

However, the Plan may apply deductibles, coinsurance, and copayments consistent with other coverage provided by the Plan.

KNOW YOUR COBRA NOTIFICATION RESPONSIBILITIES
It is your responsibility to notify Human Resources within 30 days if you get divorced or have a dependent that is no longer eligible for coverage under the terms of the Summary Plan Document (SPD). Your dependents have continuation rights for group health plan coverage under the federal law known as COBRA. If you fail to notify Human Resources within the required time, your dependents may be left with no coverage. Please see your General COBRA Notice or your group health plan summary plan description for additional information. Removing ineligible dependents from your coverage within the allowed time frame can minimize the premiums you pay.

PROTECTING YOUR HEALTH INFORMATION PRIVACY RIGHTS
Wake Forest University is committed to the privacy of your health information. The administrators of the Wake Forest Plan use strict privacy standards to protect your health information from unauthorized use or disclosure. The Plan’s policies protecting your privacy rights and your rights under the law are described in the Plan’s Notice of Privacy Practices. You may receive a copy of the Notice of Privacy Practices by contacting Human Resources at AskHR@wfu.edu or (336) 758-4700.
